EQUAL OPPORTUNITY, HARASSMENT, AND NONDISCRIMINATION

These policies and procedures are implemented on an interim basis for renewable six-month intervals. Should a court strike down, either temporarily or permanently, any terms or provisions of these policies and procedures, the LCTCS or Nunez Community College reserves the right to make immediate modifications to the policies and procedures that take effect upon publication on our website. Further, should any court strike any portion of the 2020 Title IX Regulations (34 C.F.R. Part 106), or should college administration order them suspended or withdrawn, the LCTCS or Nunez Community College reserves the right to withdraw these interim policies and procedures and immediately reinstate previous policies and/or procedures or revise them accordingly.

POLICY

Nunez Community College adheres to all federal, state, and local civil rights laws prohibiting discrimination in employment and education. Nunez does not discriminate in its admissions practices, in its employment practices, or in its educational programs or activities on the basis of sex/gender. As a recipient of federal financial assistance for education activities, Nunez Community College is required by Title IX of the Education Amendments of 1972 to ensure that

Policy & Procedure No. 2.015 Nunez Community College

all of its education programs and activities do not discriminate on the basis of sex/gender. Sex includes sex, sex stereotypes, gender identity, gender expression, sexual orientation, and pregnancy or parenting status.

Nunez also prohibits retaliation against any person opposing discrimination or participating in any discrimination investigation or complaint process internal or external to the institution.

Sexual harassment, sexual assault, dating and domestic violence, and stalking are forms of sex discrimination, which are prohibited under Title IX and by College policy.

Any member of the campus community, guest, or visitor who acts to deny, deprive, or limit the educational, employment, residential, or social access, opportunities and/or benefits of any member of the College community on the basis of sex is in violation of Nunez Policy 2.015 Equal Opportunity, Harassment & Non-Discrimination. Questions regarding Title IX, including its application and/or concerns about noncompliance, should be directed to the Title IX Coordinator.

Any person may report sex discrimination (whether or not the person reporting is the person alleged to have experienced the conduct), in person, by mail, by telephone, by video, or by email, using the contact information listed for the Title IX Coordinator below. A report may be made at any time via the communication methods listed above.

Within any resolution process related to this policy, Nunez provides reasonable accommodations to persons with disabilities and religious accommodations, when that accommodation is consistent with state and federal law.

2. Rationale for Policy

Nunez Community College is committed to providing a workplace and educational environment, as well as other benefits, programs, and activities, that are free from discrimination, harassment, and retaliation. To ensure compliance with federal and state civil rights laws and regulations, and to affirm its commitment to promoting the goals of fairness and equity in all aspects of the educational program or activity, Nunez Community College has developed internal policies and procedures that provide a prompt, fair, and impartial process for those involved in an allegation of discrimination or harassment on the basis of protected class status, and for allegations of retaliation. Nunez Community College values and upholds the equal dignity of all members of its community and strives to balance the rights of the parties in the grievance process during what is often a difficult time for all those involved.

3. Applicable Scope

The core purpose of this policy is the prohibition of all forms of discrimination. Sometimes, discrimination involves exclusion from activities, such as admission, athletics, or employment. Other times, discrimination takes the form of harassment or, in the case of sex-based discrimination, can encompass sexual harassment, sexual assault, stalking, sexual exploitation, dating violence or domestic violence. When an alleged violation of this anti-discrimination policy is reported, the allegations are

Policy & Procedure No. 2.015 Nunez Community College

subject to resolution using NCC’s “Process A” or “Process B,” as determined by the Title IX Coordinator, and as detailed in the process addendum.

When the Respondent is a member of the College community, a grievance process may be available regardless of the status of the Complainant, who may or may not be a member of the NCC college community. This community includes, but is not limited to, students,¹ student organizations, faculty, administrators, staff, and third parties such as guests, visitors, volunteers, invitees, and campers. The procedures below may be applied to incidents, to patterns, and/or to the campus climate, all of which may be addressed and investigated in accordance with this policy.

4. Title IX Coordinator

The Title IX Coordinator oversees NCC’s policy on equal opportunity, harassment, and nondiscrimination and may oversee implementation of NCC’s Affirmative Action and Equal Opportunity plan. The Title IX Coordinator has the primary responsibility for coordinating Nunez’s efforts related to the intake, investigation, resolution, and implementation of supportive measures to stop, remediate, and prevent discrimination, harassment, and retaliation prohibited under this policy.

5. Independence and Conflict-of-Interest

The Title IX Coordinator manages the Title IX Team and acts with independence and authority free from bias and conflicts of interest. The Title IX Coordinator oversees all resolutions under this policy and these procedures. The members of the Title IX Team are vetted and trained to ensure they are not biased for or against any party in a specific case, or for or against Complainants and/or Respondents, generally.

¹ For the purpose of this policy, the LCTCS or any LCTCS member college defines “student” as any individual who has accepted an offer of admission, or who is registered or enrolled for credit or non-credit bearing coursework, and who maintains an ongoing relationship with the LCTCS or any LCTCS member college.

Policy & Procedure No. 2.015
Nunez Community College

To raise any concern involving bias or conflict of interest by the Title IX Coordinator, contact the Nunez Community College Chancellor or designee. Concerns of bias or a potential conflict of interest by any other Title IX Team member should be raised with the Title IX Coordinator.

Reports of misconduct or discrimination committed by the Title IX Coordinator should be reported to the NCC Chancellor or designee. Reports of misconduct or discrimination committed by any other Title IX Team member should be reported to the Title IX Coordinator.

7. Notice/Complaints of Discrimination, Harassment, and/or Retaliation

Notice or complaints of discrimination, harassment, and/or retaliation may be made using any of the following options:

1) File a complaint with, or give verbal notice to, the Title IX Coordinator, Deputy Title IX Coordinators, or Officials with Authority. Such a report may be made at any time (including during non-business hours) by using the telephone number or email address, or by mail to the office address, listed for the Title IX Coordinator or any other official listed.

[2) Report online, using the institution's reporting form. Anonymous reports are accepted but can give rise to a need to investigate. Nunez Community College tries to provide supportive measures

to all Complainants, which is impossible with an anonymous report. Because reporting carries no obligation to initiate a formal response, and as Nunez respects Complainant requests to dismiss complaints unless there is a compelling threat to health and/or safety, the Complainant is largely in control and should not fear a loss of privacy by making a report that allows NCC to discuss and/or provide supportive measures.

A Formal Complaint means a document filed/signed by the Complainant or signed by the Title IX Coordinator alleging a policy violation by a Respondent and requesting that Nunez investigate the allegation(s). A complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail. As used in this paragraph, the phrase “document filed by a Complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the College) that contains the Complainant’s physical or digital signature, or otherwise indicates that the Complainant is the person filing the complaint.

If notice is submitted in a form that does not meet this standard, the Title IX Coordinator will contact the Complainant to ensure that it is filed correctly.

8. Supportive Measures

Nunez Community College will offer and implement appropriate and reasonable supportive measures to the parties upon notice of alleged harassment, discrimination, and/or retaliation.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the parties to restore or preserve access to the College’s education program or activity, including measures designed to protect the safety of all parties or the College’s educational environment, and/or deter harassment, discrimination, and/or retaliation.

The Title IX Coordinator promptly makes supportive measures available to the parties upon receiving notice or a complaint. At the time that supportive measures are offered, the College will inform the Complainant, in writing, that they may file a formal complaint with NCC either at that time or in the future, if they have not done so already. The Title IX Coordinator works with the Complainant to ensure that their wishes are taken into account with respect to the supportive measures that are planned and implemented.

Policy & Procedure No. 2.015
Nunez Community College

Nunez will maintain the privacy of the supportive measures, provided that privacy does not impair the College's ability to provide the supportive measures. Nunez will act to ensure as minimal an academic impact on the parties as possible and will implement measures in a way that does not unreasonably burden the other party.

These actions may include, but are not limited to:

- Referral to counseling, medical, and/or other healthcare services
- Referral to the Employee Assistance Program
- Referral to community-based service providers
- Visa and immigration assistance
- Student financial aid counseling
- Education to the community or community subgroup(s)
- Altering campus housing assignment(s)
- Altering work arrangements for employees or student-employees
- Safety planning
- Providing campus safety escorts
- Providing transportation accommodations
- Implementing contact limitations (no contact orders) between the parties
- Academic support, extensions of deadlines, or other course/program-related Adjustments
- Trespass, Persona Non Grata (PNG), or Be-On-the-Lookout (BOLO) orders
- Timely warnings
- Class schedule modifications, withdrawals, or leaves of absence
- Increased security and monitoring of certain areas of the campus
- Any other actions deemed appropriate by the Title IX Coordinator

Violations of no contact orders will be referred to appropriate student or employee conduct processes for enforcement.

Nunez Community College

9. Emergency Removal

Nunez Community College can act to remove a Respondent entirely or partially from its education program or activities on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical health or safety of any student or other individual justifies removal. This risk analysis is performed in conjunction with Campus Police using its standard objective violence risk assessment procedures.

In all cases in which an emergency removal is imposed, the student or employee will be given notice of the action and the option to request to meet with the Title IX Coordinator prior to such action/removal being imposed, or as soon thereafter as reasonably possible, to show cause why the action/removal should not be implemented or should be modified.

This meeting is not a hearing on the merits of the allegation(s), but rather is an administrative process intended to determine solely whether the emergency removal is appropriate. When this meeting is not requested in a timely manner, objections to the emergency removal will be deemed waived. A Complainant and their Advisor may be permitted to participate in this meeting if the Title IX Coordinator determines it is equitable to do so. This section also applies to any restrictions that a coach or athletic administrator may place on a student-athlete arising from allegations related to Title IX. There is no appeal process for emergency removal decisions.

A Respondent may be accompanied by an Advisor of their choice when meeting with the Title IX Coordinator for the show cause meeting. The Respondent will be given access to a written summary of the basis for the emergency removal prior to the meeting to allow for adequate preparation.

The Title IX Coordinator has sole discretion under this policy to implement or stay an emergency removal and to determine the conditions and duration. Violation of an emergency removal under this policy will be grounds for discipline, which may include expulsion or termination. Nunez Community College will implement the least restrictive emergency actions possible in light of the circumstances and safety concerns. As determined by the Title IX Coordinator, these actions could include, but are not limited to: removing a student from a specific class section, temporarily re-assigning an employee, restricting a student's or employee's access to or use of facilities or equipment, allowing a student to withdraw or take grades of incomplete without financial penalty, authorizing an administrative

Policy & Procedure No. 2.015

leave, and suspending a student’s participation in extracurricular activities, student employment, student organizational leadership, or intercollegiate/intramural athletics.

At the discretion of the Title IX Coordinator, alternative coursework options may be pursued to ensure as minimal an academic impact as possible on the parties.

10. Promptness

All allegations are acted upon promptly by the College once it has received notice of a formal complaint. Complaints can take 60-90 business days to resolve, typically. There are always exceptions and extenuating circumstances that can cause a resolution to take longer, but the College will avoid all undue delays within its control.

Any time the general timeframes for resolution outlined in the College procedures will be delayed, NCC will provide written notice to the parties of the delay, the cause of the delay, and an estimate of the anticipated additional time that will be needed as a result of the delay.

11. Privacy

Every effort is made by the College to preserve the privacy of reports.³ Nunez will not share the identity of any individual who has made a report or complaint of harassment, discrimination, or

³ For the purpose of this policy, privacy and confidentiality have distinct meanings. **Privacy** means that information related to a complaint will be shared with a limited number of LCTCS or any LCTCS member college employees who “need to know” in order to assist in the assessment, investigation, and resolution of the report. All employees who are involved in the LCTCS or any LCTCS member college’s response to notice under this policy receive specific training and guidance about sharing and safeguarding private information in accordance with state and federal law. The privacy of student education records will be protected in accordance with the Family Educational Rights and Privacy Act (“FERPA”), as outlined in the LCTCS or any LCTCS member college’s FERPA policy. The privacy of employee records will be protected in accordance with Human Resources policies. **Confidentiality** exists in the context of laws that protect certain relationships, including those who provide services related to medical and clinical care, mental health providers, counselors, and ordained clergy. retaliation; any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, or any witness, except as permitted by the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. 1232g; FERPA regulations, 34 CFR part 99; or as required by law; or to carry out the purposes of 34 CFR Part 106, including the conducting of any investigation, hearing, or grievance proceeding arising under these policies and procedures.

Nunez College reserves the right to designate which college officials have a legitimate educational interest in being informed about incidents that fall within this policy, pursuant to the Family Educational Rights and Privacy Act (FERPA).

Only a small group of officials who need to know will typically be told about the complaint, including but not limited to: Office of Student Affairs, the Human Resources Office and Campus Police.

Information will be shared as necessary with Investigators, Hearing Panel members/Decision-makers, witnesses, and the parties. The circle of people with this knowledge will be kept as tight as possible to preserve the parties' rights and privacy.

between certain health care providers, mental health care providers, attorneys, clergy, spouses, and others, with their patients, clients, parishioners, and spouses. The LCTCS or any LCTCS member college has designated individuals who have the ability to have privileged communications as Confidential Resources. For more information about Confidential Resources, see page 26. When information is shared by a Complainant with a Confidential Resource, the Confidential Resource cannot reveal the information to any third party except when an applicable law or a court order requires or permits disclosure of such information. For example, information may be disclosed when: (i) the individual gives written consent for its disclosure; (ii) there is a concern that the individual will likely cause serious physical harm to self or others; or (iii) the information concerns conduct involving suspected abuse or neglect of a minor under the age of 18, elders, or individuals with disabilities. Non-identifiable information may be shared by Confidential Resources for statistical tracking purposes as required by the federal Clery Act. Other information may be shared as required by law.

Policy & Procedure No. 2.015
Nunez Community College

Confidentiality and mandated reporting are addressed more specifically below.

12. Jurisdiction of Nunez Community College

This policy applies to the education program and activities of Nunez Community College to conduct that takes place on the campus or on property owned or controlled by the College, on campus or specific college-sponsored events, or in buildings owned or controlled by the College. The Respondent must be a member of the College’s community for its policies to apply.

This policy can also be applicable to the effects of off-campus misconduct that effectively deprive someone of access to Nunez’s educational program. Nunez may also extend jurisdiction to off-campus and/or to online conduct when the Title IX Coordinator determines that the conduct affects a substantial college interest.

Regardless of where the conduct occurred, the College will address notice/complaints to determine whether the conduct occurred in the context of its employment or educational program or activity and/or has continuing effects on campus or in an off-campus sponsored program or activity. A substantial college interest includes:

- a. Any action that constitutes a criminal offense as defined by law. This includes, but is not limited to, single or repeat violations of any local, state, or federal law;
- b. Any situation in which it is determined that the Respondent poses an immediate threat to the physical health or safety of any student or other individual;
- c. Any situation that significantly impinges upon the rights, property, or achievements of oneself or others or significantly breaches the peace and/or causes social disorder; and/or
- d. Any situation that is detrimental to the educational interests or mission of Nunez Community College.

If the Respondent is unknown or is not a member of the College community, the Title IX Coordinator will assist the Complainant in identifying appropriate campus and local resources and support options and/or,

Policy & Procedure No. 2.015
Nunez Community College

when criminal conduct is alleged, in contacting local or campus law enforcement if the individual would like to file a police report.

Further, even when the Respondent is not a member of the College's community, supportive measures, remedies, and resources may be accessible to the Complainant by contacting the Title IX Coordinator.

In addition, the College may take other actions as appropriate to protect the Complainant against third parties, such as barring individuals from college property and/or events.

All vendors serving the College through third-party contracts are subject to the policies and procedures of their employers or to these policies and procedures to which their employer has agreed to be bound by their contracts.

When the Respondent is enrolled in or employed by another institution, the Title IX Coordinator can assist the Complainant in liaising with the appropriate individual at that institution, as it may be possible to allege violations through that institution's policies.

Similarly, the Title IX Coordinator may be able to advocate for a student or employee Complainant who experiences discrimination in an externship, study abroad program, or other environment external to the College where sexual harassment or nondiscrimination policies and procedures of the facilitating or host organization may give recourse to the Complainant.

13. Time Limits on Reporting

There is no time limitation on providing notice/complaints to the Title IX Coordinator. However, if the Respondent is no longer subject to the College's jurisdiction and/or significant time has passed, the ability to investigate, respond, and provide remedies may be more limited or impossible.

Acting on notice/complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of policy) is at the discretion of the Title IX Coordinator, who may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal or formal action, as appropriate.

Policy & Procedure No. 2.015 Nunez Community College

When notice/complaint is affected by significant time delay, the College will typically apply the policy in place at the time of the alleged misconduct and the procedures in place at the time of notice/complaint.

14. Online Harassment and Misconduct

The policies of Nunez Community College are written and interpreted broadly to include online and cyber manifestations of any of the behaviors prohibited below, when those behaviors occur in or have an effect on the College's education program and activities or use the College networks, technology, or equipment.

While the College may not control websites, social media, and other venues in which harassing communications are made, when such communications are reported to the College, it will engage in a variety of means to address and mitigate the effects.

Members of the community are encouraged to be good digital citizens and to refrain from online misconduct, such as feeding anonymous gossip sites, sharing inappropriate content via Snaps or other social media, unwelcome sexting, revenge porn, breaches of privacy, or otherwise using the ease of transmission and/or anonymity of the Internet or other technology to harm another member of the College community.

Any online postings or other electronic communication by students, including cyber-bullying, cyber-stalking, cyber-harassment, etc., occurring completely outside of the College's control (e.g., not on NCC college networks, websites, or between NCC college email accounts) will only be subject to this policy when such online conduct can be shown to cause a substantial in-program disruption.

Otherwise, such communications are considered speech protected by the First Amendment. Supportive measures for Complainants will be provided, but protected speech cannot legally be subjected to discipline.

Off-campus harassing speech by employees, whether online or in person, may be regulated by the College only when such speech is made in an employee's official or work-related capacity (See NCC's policy on Social Media Use, 9.003: https://campussuite-storage.s3.amazonaws.com/prod/1558536/e366533c-f169-11e7-9166-122f978d8488/2022195/a0e0475e-15ff-11ea-8e29-0a9917d88d53/file/9-003_Social_Media_Policy.pdf, as well as the [LCTCS Policy 6.042](#)).

- or any other protected category under applicable local, state, or federal law, including protections for those opposing discrimination or participating in any grievance process on campus, with the Equal Employment Opportunity Commission, or other human rights agencies.

This policy covers nondiscrimination in both employment and access to educational opportunities. Therefore, any member of the College community whose acts deny, deprive, or limit the educational or employment access, benefits, and/or opportunities of any member of NCC community, guest, or visitor on the basis of that person's actual or perceived membership in the protected classes listed above is in violation of the College policy on nondiscrimination.

When brought to the attention of Nunez, any such discrimination will be promptly and fairly addressed and remedied by the College according to the grievance process described below.

16. Policy on Disability Discrimination and Accommodation

Nunez Community College is committed to full compliance with the Americans with Disabilities Act of 1990 (ADA), as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibit discrimination against qualified persons with disabilities, as well as other federal and state laws and regulations pertaining to individuals with disabilities.

Under the ADA and its amendments, a person has a disability if they have a physical or mental impairment that substantially limits a major life activity.

The ADA also protects individuals who have a record of a substantially limiting impairment or who are regarded as disabled by the College, regardless of whether they currently have a disability. A substantial impairment is one that significantly limits or restricts a major life activity such as hearing, seeing, speaking, breathing, performing manual tasks, walking, or caring for oneself.

Policy & Procedure No. 2.015 Nunez Community College

The College's ADA/504 Coordinator is responsible for overseeing efforts to comply with these disability laws, including responding to grievances and conducting investigations of any allegation of noncompliance or discrimination based on disability.

Grievances related to disability status and/or accommodations will be addressed using the procedures below. For details relating to disability accommodations at Nunez, see <https://www.nunez.edu/disability-services>. Also see the system policy here: [LCTCS Policy 6.023 on Americans With Disabilities Act: Employees and Students](#).

a. Students with Disabilities

Nunez Community College is committed to providing qualified students with disabilities with reasonable accommodations and support needed to ensure equal access to the academic programs, facilities, and activities of the College.

All accommodations are made on an individualized basis. A student requesting any accommodation should first contact the Coordinator of Disability Services, who coordinates services for students with disabilities. The Coordinator of Disability Services reviews documentation provided by the student and, in consultation with the student, determines which accommodations are appropriate for the student's needs and academic program(s).

b. Employees with Disabilities

Pursuant to the ADA, the College will provide reasonable accommodation(s) to all qualified employees with known disabilities when their disability affects the performance of their essential job functions, except when doing so would be unduly disruptive or would result in undue hardship to the College.

An employee with a disability is responsible for submitting a request for an accommodation to the ADA/504 Coordinator and providing necessary documentation. The ADA/504 Coordinator will work with the employee's supervisor to identify which essential functions of the position are affected by the employee's disability and what reasonable accommodations could enable the employee to perform those duties.

17. Policy on Discriminatory Harassment

Students, staff, administrators, and faculty are entitled to an employment and educational environment that is free of discriminatory harassment. The College’s harassment policy is not meant to inhibit or prohibit educational content or discussions inside or outside of the classroom that include germane, but controversial or sensitive subject matters protected by academic freedom.

The sections below describe the specific forms of legally prohibited harassment that are also prohibited under Nunez policy. When speech or conduct is protected by academic freedom and/or the First Amendment, it will not be considered a violation of the College policy, though supportive measures will be offered to those impacted.

a. Discriminatory Harassment

Discriminatory harassment constitutes a form of discrimination that is prohibited by Nunez policy. Discriminatory harassment is defined as unwelcome conduct by any member or group of the community based on actual or perceived membership in a class protected by policy or law.

Nunez Community College does not tolerate discriminatory harassment of any employee, student, visitor, or guest. Nunez will act to remedy all forms of harassment when reported, whether the harassment rises to the level of creating a “hostile environment.”

A hostile environment is one that unreasonably interferes with, limits, or effectively denies an individual’s educational or employment access, benefits, or opportunities.⁴ This discriminatory effect results from harassing verbal, written, graphic, or physical conduct that is severe or pervasive *and* objectively offensive.

When discriminatory harassment rises to the level of creating a hostile environment, the College may also impose sanctions on the Respondent through application of the grievance process below.

⁴ This definition of hostile environment is based on Federal Register / Vol. 59, No. 47 / Thursday, March 10, 1994: [Department of Education Office for Civil Rights, Racial Incidents and Harassment Against Students At Educational LCTCS or any LCTCS member colleges Investigative Guidance.](#)

Policy & Procedure No. 2.015
Nunez Community College

Nunez Community College reserves the right to address offensive conduct and/or harassment that 1) does not rise to the level of creating a hostile environment, or 2) that is of a generic nature and not based on a protected status. Addressing such conduct will not result in the imposition of discipline under college policy, but may be addressed through respectful conversation, remedial actions, education, effective Alternate Resolution, and/or other informal resolution mechanisms.

For assistance with Alternate Resolution and other informal resolution techniques and approaches, employees should contact the Director of Human Resources, and students should contact the Title IX Coordinator.

b. Sexual Harassment

The Department of Education’s Office for Civil Rights (OCR), the Equal Employment Opportunity Commission (EEOC), and the State of Louisiana regard Sexual Harassment, a specific form of discriminatory harassment, as an unlawful discriminatory practice.

Nunez Community College has adopted the following definition of Sexual Harassment in order to address the unique environment of an academic community, which consists not only of employer and employees, but of students as well.

Acts of sexual harassment may be committed by any person upon any other person, regardless of the sex, sexual orientation, and/or gender identity of those involved.

Sexual Harassment, as an umbrella category, includes the offenses of sexual harassment, sexual assault, domestic violence, dating violence, and stalking, and is defined as:

Conduct on the basis of sex that satisfies one or more of the following:

- 1) Quid Pro Quo:
 - a. an employee of Nunez Community College,
 - b. conditions the provision of an aid, benefit, or service of the College,
 - c. on an individual’s participation in unwelcome sexual conduct; and/or

- b. determined by a reasonable person,
- c. to be so severe, and
- d. pervasive, and,
- e. objectively offensive,

3) Sexual assault, defined as:

a) Sex Offenses, Forcible:

- iii) including instances in which the Complainant is incapable of giving consent.

b) Forcible Rape:

- v) without the consent of the Complainant.

c) Forcible Sodomy:

- i) Oral or anal sexual intercourse with another person,
- ii) forcibly,

⁵ Unwelcomeness is subjective and determined by the Complainant (except when the Complainant is below the age of consent). Severity, pervasiveness, and objective offensiveness are evaluated based on the totality of the circumstances from the perspective of a reasonable person in the same or similar circumstances ("in the shoes of the Complainant"), including the context in which the alleged incident occurred and any similar, previous patterns that may be evidenced.

Policy & Procedure No. 2.015
Nunez Community College

- iii) and/or against that person's will (non-consensually), or
- iv) not forcibly or against the person's will in instances in which the Complainant is incapable of giving consent because of age⁶ or because of temporary or permanent mental or physical incapacity.
- d) Sexual Assault with an Object:

Policy & Procedure No. 2.015
Nunez Community College

- ii) Statutory Rape:
 - 1) Non-forcible sexual intercourse,
 - 2) with a person who is under the statutory age of consent of 17 in Louisiana.

- 4) Dating Violence, defined as:
 - a. violence,
 - b. on the basis of sex,
 - c. committed by a person,
 - d. who is in or has been in a social relationship of a romantic or intimate nature with the Complainant?
 - i. The existence of such a relationship shall be determined based on the Complainant’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition—
 - ii. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
 - iii. Dating violence does not include acts covered under the definition of domestic violence.

- 5) Domestic Violence, defined as:
 - a. violence,
 - b. on the basis of sex,
 - c. committed by a current or former spouse or intimate partner of the Complainant,
 - d. by a person with whom the Complainant shares a child in common, or

Policy & Procedure No. 2.015
Nunez Community College

- g. by any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of Louisiana.

*To categorize an incident as Domestic Violence, the relationship between the Respondent and the Complainant must be more than just two people living together as roommates. The people cohabitating must be current or former spouses or have an intimate relationship.

6) Stalking, defined as:

- a. engaging in a course of conduct,
- b. on the basis of sex,
- c. directed at a specific person, that
 - i. would cause a reasonable person to fear for the person's safety, or
 - ii. the safety of others; or
 - iii. Suffer substantial emotional distress.

For the purposes of this definition—

- (i) Course of conduct means two or more acts, including, but not limited to, acts in which the Respondent directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.
- (ii) Reasonable person means a reasonable person under similar circumstances and with similar identities to the Complainant.
- (iii) Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

See [LCTCS Policy 6.008 on Consensual Relationships](#).

Nunez Community College reserves the right to impose any level of sanction, ranging from a reprimand up to and including suspension or expulsion/termination, for any offense under this policy.

c. Force, Coercion, Consent, and Incapacitation

As used in the offenses above, the following definitions and understandings apply:

Force: Force is the use of physical violence and/or physical imposition to gain sexual access. Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent (e.g., “Have sex with me or I’ll hit you,” “Okay, don’t hit me, I’ll do what you want.”).

Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Silence or the absence of resistance alone is not consent. Consent is not demonstrated by the absence of resistance. While resistance is not required or necessary, it is a clear demonstration of non-consent.

Coercion: Coercion is unreasonable pressure for sexual activity. Coercive conduct differs from seductive conduct based on factors such as the type and/or extent of the pressure used to obtain consent. When someone makes clear that they do not want to engage in certain sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

Consent is:

- knowing, and
- voluntary, and
- clear permission
- by word or action
- to engage in sexual activity.

Policy & Procedure No. 2.015 Nunez Community College

Since individuals may experience the same interaction in different ways, it is the responsibility of each party to determine that the other has consented before engaging in the activity.

If consent is not clearly provided prior to engaging in the activity, consent may be ratified by word or action at some point during the interaction or thereafter, but clear communication from the outset is strongly encouraged.

For consent to be valid, there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct. Reasonable reciprocation can be implied. For example, if someone kisses you, you can kiss them back (if you want to) without the need to explicitly obtain *their* consent to being kissed back.

Consent can also be withdrawn once given, as long as the withdrawal is reasonably and clearly communicated. If consent is withdrawn, that sexual activity should cease within a reasonable time. Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous intimate relationship is not enough to constitute consent.

Proof of consent or non-consent is not a burden placed on either party involved in an incident. Instead, the burden remains on the College to determine whether its policy has been violated. The existence of consent is based on the totality of the circumstances evaluated from the perspective of a reasonable person in the same or similar circumstances, including the context in which the alleged incident occurred and any similar, previous patterns that may be evidenced.

Incapacitation: A person cannot consent if they are unable to understand what is happening or is disoriented, helpless, asleep, or unconscious, for any reason, including by alcohol or other drugs. As stated above, a Respondent violates this policy if they engage in sexual activity with someone who is incapable of giving consent.

It is a defense to a sexual assault policy violation that the Respondent neither knew nor should have known the Complainant to be physically or mentally incapacitated. “Should have known” is an objective, reasonable person standard which assumes that a reasonable person is both sober and exercising sound judgment.

Policy & Procedure No. 2.015
Nunez Community College

Incapacitation occurs when someone cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, or how” of their sexual interaction).

Incapacitation is determined through consideration of all relevant indicators of an individual’s state and is not synonymous with intoxication, impairment, blackout, and/or being drunk.

This policy also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating drugs.

d. Other Civil Rights Offenses

In addition to the forms of sexual harassment described above, which fall within the coverage of Title IX, Nunez Community College additionally prohibits the following offenses as forms of discrimination outside of Title IX when the act is based upon the Complainant’s actual or perceived membership in a protected class.

- Sexual Exploitation, defined as: taking non-consensual or abusive sexual advantage of another for their own benefit or for the benefit of anyone other than the person being exploited, and that conduct does not otherwise constitute sexual harassment under this policy. Examples of Sexual Exploitation include, but are not limited to:
 - Sexual voyeurism (such as observing or allowing others to observe a person undressing or using the bathroom or engaging in sexual acts, without the consent of the person being observed)
 - Invasion of sexual privacy.
 - Taking pictures, video, or audio recording of another in a sexual act, or in any other sexually-related activity when there is a reasonable expectation of privacy during the activity, without the consent of all involved in the activity, or exceeding the boundaries of consent (such as allowing another person to hide in a closet and observe sexual activity, or disseminating sexual pictures without the photographed person’s consent), including the making or posting of revenge pornography

Policy & Procedure No. 2.015
Nunez Community College

- Prostituting another person
- Engaging in sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or a sexually transmitted disease (STD) or infection (STI), without informing the other person of the infection
- Causing or attempting to cause the incapacitation of another person (through alcohol, drugs, or any other means) for the purpose of compromising that person’s ability to give consent to sexual activity, or for the purpose of making that person vulnerable to non-consensual sexual activity
- Misappropriation of another person’s identity on apps, websites, or other venues designed for dating or sexual connections
- Forcing a person to take an action against that person’s will by threatening to show, post, or share information, video, audio, or an image that depicts the person’s nudity or sexual activity
- Knowingly soliciting a minor for sexual activity
- Engaging in sex trafficking
- Creation, possession, or dissemination of child pornography
- Threatening or causing physical harm, extreme verbal, emotional, or psychological abuse, or other conduct which threatens or endangers the health or safety of any person;
- Discrimination, defined as actions that deprive, limit, or deny other members of the community of educational or employment access, benefits, or opportunities;
- Intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another;
- Hazing, defined as acts likely to cause physical or psychological harm or social ostracism to

Policy & Procedure No. 2.015 Nunez Community College

any person within the college community, when related to the admission, initiation, pledging, joining, or any other group-affiliation activity (See the NCC 2.001 Hazing Prevention Policy: https://campussuite-storage.s3.amazonaws.com/prod/1558536/e366533c-f169-11e7-9166-122f978d8488/1880794/f82f0c5a-18dc-11e9-a4fe-128b04dd1486/file/2-001_Anti_Hazing_policy.pdf and the [LCTCS Policy 2.003 Campus Safety and Hazing](#));

- Bullying, defined as:
 - Repeated and/or severe
 - Aggressive behavior
 - Likely to intimidate or intentionally hurt, control, or diminish another person, physically and/or mentally
 - That is not speech or conduct otherwise protected by the First Amendment.

Violation of any other Nunez Community College policies may constitute a Civil Rights Offense when a violation is motivated by actual or perceived membership in a protected class, and the result is a discriminatory limitation or denial of employment or educational access, benefits, or opportunities.

Sanctions for the above-listed Civil Rights Offenses range from reprimand through expulsion/termination.

18. Retaliation

Protected activity under this policy includes reporting an incident that may implicate this policy, participating in the grievance process, supporting a Complainant or Respondent, assisting in providing information relevant to an investigation, and/or acting in good faith to oppose conduct that constitutes a violation of this Policy.

Acts of alleged retaliation should be reported immediately to the Title IX Coordinator and will be promptly investigated. Nunez is prepared to take appropriate steps to protect individuals who fear that they may be subjected to retaliation.

**Policy & Procedure No. 2.015
Nunez Community College**

It is prohibited for any member of College's community to take materially adverse action by intimidating, threatening, coercing, harassing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by law or policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy and procedure.

Charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

The exercise of rights protected under the First Amendment does not constitute retaliation.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy and procedure does not constitute retaliation, provided that a determination regarding responsibility, alone, is not sufficient to conclude that any party has made a materially false statement in bad faith.

19. Mandated Reporting

Nunez Community College employees (faculty, staff, administrators) are expected to report actual or suspected discrimination or harassment to appropriate officials immediately, though there are some limited exceptions.

In order to make informed choices, it is important to be aware of confidentiality and mandatory reporting requirements when consulting campus resources. On campus, some resources may maintain confidentiality and are not required to report actual or suspected discrimination or harassment. They may offer options and resources without any obligation to inform an outside agency or campus official unless a Complainant has requested the information be shared.

If a Complainant expects formal action in response to their allegations, reporting to any Mandated Reporter can connect them with resources to report crimes and/or policy violations, and these employees

Policy & Procedure No. 2.015
Nunez Community College

will immediately pass reports to the Title IX Coordinator (and/or police, if desired by the Complainant), who will take action when an incident is reported to them.

The following sections describe the reporting options at Nunez Community College for a Complainant or third-party (including parents/guardians when appropriate):

a. Confidential Resources

If a Complainant would like the details of an incident to be kept confidential, the Complainant may speak with:

- On-campus licensed professional counselors and staff
- On-campus health service providers and staff
- On-campus Victim Advocates
- On-campus members of the clergy/chaplains working within the scope of their licensure or ordination
- Off-campus (non-employees):
 - Licensed professional counselors and other medical providers
 - Local rape crisis counselors
 - Domestic violence resources
 - Local or state assistance agencies
 - Clergy/Chaplains
 - Attorneys

All of the above-listed individuals will maintain confidentiality when acting under the scope of their licensure, professional ethics, and/or professional credentials, except in extreme cases of immediacy of threat or danger or abuse of a minor/elder/individual with a disability, or when required to disclose by law or court order.

Campus counselors and/or the Employee Assistance Program are available to help free of charge and may be consulted on an emergency basis during normal business hours.

Nunez Community College employees who are confidential will timely submit anonymous statistical information for Clery Act purposes unless they believe it would be harmful to their client.

Policy & Procedure No. 2.015
Nunez Community College

b. Anonymous Notice to Mandated Reporters

At the request of a Complainant, notice may be given by a Mandated Reporter to the Title IX Coordinator anonymously, without identification of the Complainant. The Mandated Reporter cannot remain anonymous themselves.

If a Complainant has requested that a Mandated Reporter maintain the Complainant’s anonymity, the Mandated Reporter may do so unless it is reasonable to believe that a compelling threat to health or safety could exist. The Mandated Reporter can consult with the Title IX Coordinator on that assessment without revealing personally identifiable information.

Anonymous notice will be investigated by NCC to the extent possible, both to assess the underlying allegation(s) and to determine if supportive measures or remedies can be provided.

However, anonymous notice typically limits the College’s ability to investigate, respond, and provide remedies, depending on what information is shared.

When a Complainant has made a request for anonymity, the Complainant’s personally identifiable information may be withheld by a Mandated Reporter, but all other details must be shared with the Title IX Coordinator. Mandated reporters may not be able to maintain requests for anonymity for Complainants who are minors, elderly, and/or disabled, depending on state reporting of abuse requirements.

c. Mandated Reporters and Formal Notice/Complaints

All employees of Nunez Community College (including student employees), with the exception of those who are designated as Confidential Resources, are Mandated Reporters and must promptly share with the Title IX Coordinator all known details of a report made to them in the course of their employment.

Employees must also promptly share all details of behaviors under this policy that they observe or have knowledge of, even if not reported to them by a Complainant or third-party.

Policy & Procedure No. 2.015 Nunez Community College

Complainants may want to carefully consider whether they share personally identifiable details with non-confidential Mandated Reporters, as those details must be shared with the Title IX Coordinator.

Generally, disclosures in climate surveys, classroom writing assignments or discussions, human subjects research, or at events such as “Take Back the Night” marches or speak-outs do not provide notice that must be reported to the Coordinator by employees, unless the Complainant clearly indicates that they desire a report to be made or a seek a specific response from the College.

Supportive measures may be offered as the result of such disclosures without formal college action.

Failure of a Mandated Reporter, as described above in this section, to report an incident of harassment or discrimination of which they become aware is a violation of Nunez policy and can be subject to disciplinary action for failure to comply.

Finally, it is important to clarify that a Mandated Reporter who is themselves a target of harassment or other misconduct under this policy is not required to report their own experience, though they are, of course, encouraged to do so.

20. When a Complainant Does Not Wish to Proceed

If a Complainant does not wish for their name to be shared, does not wish for an investigation to take place, or does not want a formal complaint to be pursued, they may make such a request to the Title IX Coordinator, who will evaluate that request in light of the duty to ensure the safety of the campus and to comply with state or federal law.

The Title IX Coordinator has ultimate discretion over whether Nunez Community College proceeds when the Complainant does not wish to do so, and the Title IX Coordinator may sign a formal complaint to initiate a grievance process upon completion of an appropriate violence risk assessment.

The Title IX Coordinator’s decision should be based on results of the violence risk assessment that show a compelling risk to health and/or safety that requires the College to pursue formal action to protect the community.

Policy & Procedure No. 2.015 Nunez Community College

A compelling risk to health and/or safety may result from evidence of patterns of misconduct, predatory conduct, threats, abuse of minors, use of weapons, and/or violence. Nunez may be compelled to act on alleged employee misconduct irrespective of a Complainant’s wishes.

The Title IX Coordinator must also consider the effect that non-participation by the Complainant may have on the availability of evidence and the College’s ability to pursue a Formal Grievance Process fairly and effectively.

When the Title IX Coordinator executes the written complaint, they do not become the Complainant. The Complainant is the individual who is alleged to be the victim of conduct that could constitute a violation of this policy.

When the College proceeds, the Complainant (or their Advisor) may have as much or as little involvement in the process as they wish. The Complainant retains all rights of a Complainant under this Policy irrespective of their level of participation. Typically, when the Complainant chooses not to participate, the Advisor may be appointed as proxy for the Complainant throughout the process, acting to ensure and protect the rights of the Complainant.

Note that Nunez’s ability to remedy and respond to notice may be limited if the Complainant does not want the College to proceed with an investigation and/or grievance process. The goal is to provide the Complainant with as much control over the process as possible, while balancing the College’s obligation to protect its community.

In cases in which the Complainant requests confidentiality/no formal action and the circumstances allow the College to honor that request, Nunez will offer informal resolution options (see below), supportive measures, and remedies to the Complainant and the community, but will not otherwise pursue formal action.

If the Complainant elects to take no action, they can change that decision if they decide to pursue a formal complaint at a later date. Upon making a formal complaint, a Complainant has the right, and can expect, to have allegations taken seriously by Nunez Community College, and to have the incidents investigated and properly resolved through these procedures.

Policy & Procedure No. 2.015
Nunez Community College

21. Federal Timely Warning Obligations

Parties reporting sexual assault, domestic violence, dating violence, and/or stalking should be aware that under the Clery Act, Nunez must issue timely warnings for incidents reported to them that pose a serious or continuing threat of bodily harm or danger to members of the campus community.

Nunez Community College will ensure that a Complainant's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the potential danger.

22. False Allegations and Evidence

Deliberately false and/or malicious accusations under this policy, as opposed to allegations which, even if erroneous, are made in good faith, are a serious offense and will be subject to appropriate disciplinary action.

Additionally, witnesses and parties knowingly providing false evidence, tampering with or destroying evidence after being directed to preserve such evidence, or deliberately misleading an official conducting an investigation can be subject to discipline under College policy.

23. Amnesty for Complainants and Witnesses

Nunez Community College encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to report to College officials or participate in grievance processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

It is in the best interests of the NCC college community that Complainants choose to report misconduct to LCTCS or specific LCTCS member college officials, that witnesses come forward to share what they know, and that all parties be forthcoming during the process.

Policy & Procedure No. 2.015 Nunez Community College

To encourage reporting and participation in the process, NCC maintains a policy of offering parties and witnesses amnesty from minor policy violations – such as underage consumption of alcohol or the use of illicit drugs – related to the incident.

Amnesty does not apply to more serious allegations such as physical abuse of another or illicit drug distribution. The decision not to offer amnesty to a Respondent is based on neither sex nor gender, but on the fact that collateral misconduct is typically addressed for all students within a progressive discipline system, and the rationale for amnesty – the incentive to report serious misconduct – is rarely applicable to Respondent with respect to a Complainant.

Students: Sometimes, students are hesitant to assist others for fear that they may get in trouble themselves (for example, an underage student who has been drinking or using marijuana might hesitate to help take an individual who has experienced sexual misconduct to the Title IX Coordinator or Campus Police).

Nunez Community College maintains a policy of amnesty for students who offer help to others in need. While policy violations cannot be overlooked, the College may provide purely educational options with no official disciplinary finding, rather than punitive sanctions, to those who offer their assistance to others in need.

24. Federal Statistical Reporting Obligations

Certain campus officials – those deemed Campus Security Authorities – have a duty to report the following for federal statistical reporting purposes (Clery Act):

- a) All “primary crimes,” which include homicide, sexual assault, robbery, aggravated assault, burglary, motor vehicle theft, and arson;
- b) Hate crimes, which include any bias motivated primary crime as well as any bias motivated larceny or theft, simple assault, intimidation, or destruction/damage/vandalism of property;

Policy & Procedure No. 2.015
Nunez Community College

- c) VAWA⁷-based crimes, which include sexual assault, domestic violence, dating violence, and stalking; and
- d) Arrests and referrals for disciplinary action for weapons-related law violations, liquor-related law violations, and drug abuse-related law violations.

All personally identifiable information is kept private, but statistical information must be passed along to [campus law enforcement] regarding the type of incident and its general location (on or off-campus or in the surrounding area, but no addresses are given) for publication in the Annual Security Report and daily campus crime log.

Campus Security Authorities (CSAs) include: student affairs/student conduct staff, campus law enforcement/public safety/security, local police, coaches, athletic directors, student activities staff, human resources staff, advisors to student organizations, and any other official with significant responsibility for student and campus activities.

25. Training, Education, and Prevention and Awareness Programs

As mandated by Louisiana state law all employees are required to receive a minimum of one hour of education and training on preventing sexual harassment during each full calendar year of their employment. In addition, each supervisor and any person designated as an investigator of a complaint of sexual harassment shall receive additional education and training.

Nunez Community College will annually offer, and document, education and prevention programs that include, but are not limited to:

1. Awareness programs which consist of community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, promote safety, and reduce sexual misconduct.

⁷ VAWA is the Violence Against Women Act, enacted in 1994 codified in part at 42 U.S.C. sections 13701 through 14040.

Policy & Procedure No. 2.015
Nunez Community College

2. Bystander intervention programs which consist of safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. It also includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.

3. Ongoing prevention and awareness campaigns which consist of programming, initiatives, and strategies that are sustained over time and focus on increasing understanding of topics relevant to, and skills for addressing, dating violence, domestic violence, sexual assault, and stalking, using a range of strategies with audiences throughout the institution.

4. Prevention programs which consist of initiatives and strategies informed by research or assessed for value, effectiveness, or outcome that are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

5. Risk reduction programming which consists of options designed to decrease perpetration and bystander inaction and to increase empowerment for victims to promote safety and to help individuals and communities address conditions that facilitate violence. Additional options may include designation and publication of "red zones" (i.e., times and places of high incidence of crimes, including sexual violence).

Each individual at Nunez Community College who is involved in implementing the college's student grievance procedures, including each individual who is responsible for resolving complaints of reported sexual discrimination or sexual misconduct, and each employee who has responsibility for conducting an interview with an alleged victim of a sexually-oriented criminal offense, must receive annual training developed by the Board of Regents/Attorney General, beginning with the 2016- 2017 academic year.

26. State Mandatory Reporting

As mandated by state law the LCTCS Office and Nunez Community College shall develop a report each February 1st containing information from the previous calendar year regarding compliance with this ACT 270 including:

- The number and percentage of the college's employees that have completed the training requirements;
- The number of sexual harassment complaints received by the college;

Policy & Procedure No. 2.015
Nunez Community College

- The number of complaints which resulted in a finding that sexual harassment occurred;
- The number of complaints in which the finding of sexual harassment resulted in discipline or corrective action; and
- The amount of time it took to resolve each complaint.

27. Institutional and Board Office Responsibilities

This policy applies to all institutions of the LCTCS. These procedures may be supplemented by more specific campus procedures that are consistent with this policy and state and federal laws. All institutions are required to:

- Provide to all employees a copy of this policy or their campus policy and post to their website. A contact list identifying individual names, titles, physical location and telephone number(s) where complaints may be filed shall also be included.
- Develop a system of recording all formal written complaints to be submitted and kept on file in the Chancellor's or Director's (as appropriate) office and in the office of the System President for those of LCTCS system office staff.
- Regularly offer training, educational and prevention programs for employees.

28. Cooperation with Law Enforcement

Nunez Community College will comply with law enforcement requests for cooperation and such cooperation may require an institution to temporarily suspend the fact-finding aspect of a Title IX investigation while the law enforcement agency is in the process of gathering evidence. NCC will implement appropriate interim steps/remedies during any law enforcement agency's investigation to provide for the safety of all parties to the complaint and the campus community. NCC will promptly resume a Title IX investigation as soon as notified by law enforcement that it has completed the evidence gathering process.

Nunez Community College will make diligent effort to enter into Memorandum of Understanding (MOU) with local law enforcement and criminal justice agencies. Such MOUs will be updated every two years and may include:

1. Delineation and sharing protocols of investigative responsibilities

Policy & Procedure No. 2.015
Nunez Community College

2. Protocols for investigations, including standards for notification and communication and measures to promote evidence preservation
3. Agreed-upon training and requirements on issues related to sexually oriented criminal offenses for the purpose of sharing information and coordinating training to the extent possible
4. A method of sharing general information about sexually oriented criminal offenses occurring within the jurisdiction of the parties to the MOU in order to improve campus safety
5. Assurances that local peace officers in addition to each full-time college or university police officer complete a sexual assault program required by state law La. R.S. 17:1805(H); 40:2405.8(A); (C)(I).

29. Campus Climate Surveys

To adequately assess perceptions and behaviors of sexual misconduct on the campus, Nunez Community College will administer the statewide campus climate survey as developed and required by the Board of Regents, and will submit the results to the Louisiana Community & Technical College System Board by June 1, and to the Board of Regents by June 15 of each survey cycle. The survey will be voluntary, and students will be given the ability to decline to participate.

30. Institutional Task Force

Nunez Community College will establish a task force to address sexual discrimination and sexual misconduct. All student stakeholder groups will be invited to be represented on the task force through the student body government.

PROCEDURES

Process A

INTERIM RESOLUTION PROCESS FOR ALLEGED VIOLATIONS OF THE POLICY ON EQUAL OPPORTUNITY, HARASSMENT, AND NONDISCRIMINATION (KNOWN AS PROCESS “A”)

1. Overview

Nunez Community College will act on any formal or informal notice/complaint of violation of the Nunez Policy #2.015 on Equal Opportunity, Harassment, and Nondiscrimination (“the Policy”) that is received by the Title IX Coordinator⁸ or any other Official with Authority by applying these procedures, known as “**Process A.**”

The procedures below apply **only** to qualifying allegations of sexual harassment (including sexual assault, dating violence, domestic violence, and stalking, as defined above) involving students, staff, administrator, or faculty members.

If other policies are invoked, such as policies on protected class harassment or discrimination above, please see Process B addendum for a description of the procedures applicable to the resolution of such offenses, known as “**Process B.**”

Process B can also apply to sexual harassment (including sexual assault, dating violence, domestic violence, and stalking, as defined above) when jurisdiction does not fall within Process A, as determined by the Title IX Coordinator.

The procedures below may be used to address collateral misconduct arising from the investigation of or occurring in conjunction with reported misconduct (e.g., vandalism, physical abuse of another). All other allegations of misconduct unrelated to incidents covered by the Policy will be addressed through

⁸ Anywhere this procedure indicates “Title IX Coordinator,” the LCTCS or any LCTCS member college may substitute a trained designee.

Policy & Procedure No. 2.015
Nunez Community College

procedures elaborated in the student, faculty, and staff handbooks.

2. Notice/Complaint

Upon receipt of a complaint or notice to the Title IX Coordinator of an alleged violation of the Policy, Nunez Community College will initiate a prompt initial assessment to determine the next steps necessary.

Nunez Community College will initiate at least one of three responses:

- 1) Offering supportive measures because the Complainant does not want to proceed formally; and/or
- 2) An informal resolution; and/or
- 3) A Formal Grievance Process including an investigation and a hearing.

The investigation and grievance process will determine whether or not the Policy has been violated. If so, the college will promptly implement effective remedies designed to ensure that it is not deliberately indifferent to harassment or discrimination, their potential recurrence, or their effects.

3. Initial Assessment

Following receipt of notice or a complaint of an alleged violation of this Policy, the Title IX Coordinator⁹ engages in an initial assessment, which is typically one to five business days in duration. The steps in an initial assessment can include:

- If notice is given, the Title IX Coordinator seeks to determine if the person impacted wishes to make a formal complaint, and will assist them to do so, if desired.

⁹ If circumstances require, the Chancellor, or Title IX Coordinator will designate another person to oversee the process below should an allegation be made about the Coordinator or the Coordinator be otherwise unavailable or unable to fulfill their duties.

Policy & Procedure No. 2.015 Nunez Community College

- If they do not wish to do so, the Title IX Coordinator determines whether to initiate a complaint because a violence risk assessment indicates a compelling threat to health and/or safety.
- If a formal complaint is received, the Title IX Coordinator assesses its sufficiency and works with the Complainant to make sure it is correctly completed.
- The Title IX Coordinator reaches out to the Complainant to offer supportive measures.
- The Title IX Coordinator works with the Complainant to ensure they are aware of the right to have an Advisor.
- The Title IX Coordinator works with the Complainant to determine whether the Complainant prefers a supportive and remedial response, an informal resolution option, or a formal investigation and grievance process.
 - If a supportive and remedial response is preferred, the Title IX Coordinator works with the Complainant to identify their wishes and then seeks to facilitate implementation. No Formal Grievance Process is initiated, though the Complainant can elect to initiate one later, if desired.
 - If an informal resolution option is preferred, the Title IX Coordinator assesses whether the complaint is suitable for informal resolution, which informal mechanism may serve the situation best or is available, and may seek to determine if the Respondent is also willing to engage in informal resolution.
 - If a Formal Grievance Process is preferred, the Title IX Coordinator determines if the misconduct alleged falls within the scope of Title IX:
 - If it does, the Title IX Coordinator will initiate the formal investigation and grievance process, directing the investigation to address:

Policy & Procedure No. 2.015
Nunez Community College

- an incident, and/or
- a pattern of alleged misconduct, and/or
- a culture/climate issue based on the nature of the complaint.
- If it does not, the Title IX Coordinator determines that Title IX does not apply (and will “dismiss” that aspect of the complaint, if any), assesses which policies may apply and refers the matter for resolution under **Process B (see Addendum)**. Please note that dismissing a complaint under Title IX is just procedural and does not limit the College’s authority to address a complaint with an appropriate process and remedies.

a. Violence Risk Assessment

In many cases, the Title IX Coordinator may determine that a Violence Risk Assessment (VRA) should be conducted as part of the initial assessment. A VRA can aid in ten critical and/or required determinations, including:

- Emergency removal of a Respondent on the basis of immediate threat to physical health/safety;
- Whether the Title IX Coordinator should pursue/sign a formal complaint absent a willing/able Complainant;
- Whether to put the investigation on the footing of incident and/or pattern and/or climate;
- To help identify potential predatory conduct;
- To help assess/identify grooming behaviors;
- Whether it is reasonable to try to resolve a complaint through informal resolution, and what modality may be most successful;

Policy & Procedure No. 2.015
Nunez Community College

- Whether to permit a voluntary withdrawal by the Respondent;
- Whether to impose transcript notation or communicate with a transfer LCTCS or specific LCTCS member college about a Respondent;
- Assessment of appropriate sanctions/remedies (to be applied post-hearing); and/or Whether a Clery Act Timely Warning/Trespass order/Persona-non-grata is needed.

Threat assessment is the process of evaluating the actionability of violence by an individual against another person or group following the issuance of a direct or conditional threat. A VRA is a broader term used to assess any potential violence or danger, regardless of the presence of a vague, conditional, or direct threat.

VRAs require specific training and are typically conducted by psychologists, clinical counselors, social workers, case managers, law enforcement officers, student conduct officers, or other Behavioral Intervention Team (BIT)/CARE team members. A VRA authorized by the Title IX Coordinator should occur in collaboration with the BIT/CARE or threat assessment team. Where a VRA is required by the Title IX Coordinator, a Respondent refusing to cooperate may result in a charge of failure to comply within the appropriate student or employee conduct process.

A VRA is not an evaluation for an involuntary behavioral health hospitalization, nor is it a psychological or mental health assessment. A VRA assesses the risk of actionable violence, often with a focus on targeted/predatory escalations, and is supported by research from the fields of law enforcement, criminology, human resources, and psychology.

More about Nunez’s process for VRA can be found in the VRA addendum.

b. Dismissal (Mandatory and Discretionary)¹⁰

¹⁰ These dismissal requirements are mandated by the 2020 Title IX Regulations, 34 CFR Part 106.45.

Policy & Procedure No. 2.015
Nunez Community College

Nunez Community College must dismiss a formal complaint or any allegations therein if, at any time during the investigation or hearing, it is determined that:

- 1) The conduct alleged in the formal complaint would not constitute sexual harassment as defined in the Policy hereinabove, even if proved; and/or
- 2) The conduct did not occur in an educational program or activity controlled by the College (including buildings or property controlled by recognized student organizations), and/or the College does not have control of the Respondent; and/or
- 3) The conduct did not occur against a person in the United States; and/or
- 4) At the time of filing a formal complaint, a complainant is not participating in or attempting to participate in the education program or activity of the College.

Nunez Community College may dismiss a formal complaint or any allegations therein if, at any time during the investigation or hearing:

- 1) A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the formal complaint or any allegations therein; or
- 2) The Respondent is no longer enrolled in or employed by Nunez Community College; or
- 3) Specific circumstances prevent NCC from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon any dismissal, Nunez will promptly send written notice of the dismissal and the rationale for doing so simultaneously to the parties.

This dismissal decision is appealable by any party under the procedures for appeal below. The decision not to dismiss is also appealable by any party claiming that a dismissal is required or appropriate. A Complainant who decides to withdraw a complaint may later request to reinstate it or refile it.

4. Counterclaims

Policy & Procedure No. 2.015
Nunez Community College

Nunez Community College is obligated to ensure that the grievance process is not abused for retaliatory purposes. The College permits the filing of counterclaims but uses an initial assessment, described above, to assess whether the allegations in the counterclaim are made in good faith. Counterclaims by the Respondent may be made in good faith, but are, on occasion, also made for purposes of retaliation. Counterclaims made with retaliatory intent will not be permitted.

Counterclaims determined to have been reported in good faith will be processed using the grievance procedures below. Investigation of such claims may take place after resolution of the underlying initial allegation, in which case a delay may occur.

Counterclaims may also be resolved through the same investigation as the underlying allegation, at the discretion of the Title IX Coordinator. When counterclaims are not made in good faith, they will be considered retaliatory and may constitute a violation of this policy.

5. Right to an Advisor

The parties may each have an Advisor¹¹ of their choice present with them for all meetings and interviews within the resolution process, if they so choose. The parties may select whoever they wish to serve as their Advisor as long as the Advisor is eligible and available.¹²

Choosing an Advisor who is also a witness in the process creates potential for bias and conflict-of-interest. A party who chooses an Advisor who is also a witness can anticipate that issues of potential bias will be explored by the hearing Decision-maker(s).

a. Who Can Serve as an Advisor

¹¹ This could include an attorney, advocate, or support person. The law permits one Advisor for each party (witnesses are not entitled to Advisors within the process, though they can be advised externally).

¹² “Available” means the party cannot insist on an Advisor who simply doesn’t have inclination, time, or availability. Also, the Advisor cannot have institutionally conflicting roles, such as being a Title IX administrator who has an active role in the matter, or a supervisor who must monitor and implement sanctions.

**Policy & Procedure No. 2.015
Nunez Community College**

The Advisor may be a friend, mentor, family member, attorney, or any other individual a party chooses to advise, support, and/or consult with them throughout the resolution process. The parties may choose Advisors from inside or outside of the College community.

The Title IX Coordinator will also offer to assign a trained Advisor for any party if the party so chooses. If the parties choose an Advisor from the pool available from the College, the Advisor will be trained by LCTCS or Nunez and be familiar with the College's resolution process.

If the parties choose an Advisor from outside the pool of those identified by Nunez, the Advisor may not have been trained by the LCTCS or Nunez and may not be familiar with the College's policies and procedures.

Parties also have the right to choose not to have an Advisor in the initial stages of the resolution process, prior to a hearing.

b. Advisors in Hearings/Nunez college-Appointed Advisor

Under U.S. Department of Education regulations applicable to Title IX, cross-examination is required during the hearing, but must be conducted by the parties' Advisors. The parties are not permitted to directly cross-examine each other or any witnesses. If a party does not have an Advisor for a hearing, the College will appoint a trained Advisor for the limited purpose of conducting any cross-examination.

A party may reject this appointment and choose their own Advisor, but they may not proceed without an Advisor. If the party's Advisor will not conduct cross-examination, the College will appoint an Advisor who will do so thoroughly, regardless of the participation or non-participation of the advised party in the hearing itself. Extensive questioning of the parties and witnesses will also be conducted by the Decision-maker(s) during the hearing.

c. Advisor's Role

The parties may be accompanied by their Advisor in all meetings and interviews at which the party is entitled to be present, including intake and interviews. Advisors should help the parties prepare for each meeting and are expected to advise ethically, with integrity, and in good faith.

**Policy & Procedure No. 2.015
Nunez Community College**

Nunez Community College cannot guarantee equal Advisory rights, meaning that if one party selects an Advisor who is an attorney, but the other party does not or cannot afford an attorney, the College is not obligated to provide an attorney.

d. Pre-Interview Meetings

Advisors may request to meet with the administrative officials conducting interviews/meetings in advance of these interviews or meetings. This pre-meeting allows Advisors to clarify and understand their role and the College's policies and procedures.

e. Advisor Violations of the Nunez Community College Policy

All Advisors are subject to the same College policies and procedures, whether they are attorneys or not. Advisors are expected to advise their advisees without disrupting proceedings. Advisors should not address Nunez officials in a meeting or interview unless invited to (e.g., asking procedural questions). The Advisor may not make a presentation or represent their advisee during any meeting or proceeding and may not speak on behalf of the advisee to the Investigator(s) or other Decision-maker(s) except during a hearing proceeding, during cross-examination.

The parties are expected to ask and respond to questions on their own behalf throughout the investigation phase of the resolution process. Although the Advisor generally may not speak on behalf of their advisee, the Advisor may consult with their advisee, either privately as needed, or by conferring or passing notes during any resolution process meeting or interview. For longer or more involved discussions, the parties and their Advisors should ask for breaks to allow for private consultation.

Any Advisor who oversteps their role as defined by this policy will be warned only once. If the Advisor continues to disrupt or otherwise fails to respect the limits of the Advisor role, the meeting will be ended, or other appropriate measures implemented. Subsequently, the Title IX Coordinator will determine how to address the Advisor's non-compliance and future role.

f. Sharing Information with the Advisor

**Policy & Procedure No. 2.015
Nunez Community College**

Nunez Community College expects that the parties may wish to have the College share documentation and evidence related to the allegations with their Advisors. Parties may share this information directly with their Advisor or other individuals if they wish. Doing so may help the parties participate more meaningfully in the resolution process.

Nunez Community College also provides a consent form that authorizes the College to share such information directly with their Advisor. The parties must either complete and submit this form to the Title IX Coordinator or provide similar documentation demonstrating consent to a release of information to the Advisor before the College is able to share records with an Advisor.

If a party requests that all communication be made through their attorney Advisor, the College will comply with that request at the discretion of the Title IX Coordinator.

g. Privacy of Records Shared with Advisor

Advisors are expected to maintain the privacy of the records shared with them. These records may not be shared with third parties, disclosed publicly, or used for purposes not explicitly authorized by Nunez Community College. The College may seek to restrict the role of any Advisor who does not respect the sensitive nature of the process or who fails to abide by the Nunez's privacy expectations.

h. Expectations of an Advisor

Nunez Community College generally expects an Advisor to adjust their schedule to allow them to attend college meetings when planned but may change scheduled meetings to accommodate an Advisor's inability to attend, if doing so does not cause an unreasonable delay.

Nunez Community College may also make reasonable provisions to allow an Advisor who cannot attend in person to attend a meeting by telephone, video conferencing, or other similar technologies as may be convenient and available.

i. Expectations of the Parties with Respect to Advisors

A party may elect to change Advisors during the process and is not obligated to use the same Advisor throughout. The parties are expected to inform the Investigator(s) of the identity of their Advisor at least

Policy & Procedure No. 2.015
Nunez Community College

two (2) business days before the date of their first meeting with Investigators (or as soon as possible if a more expeditious meeting is necessary or desired).

The parties are expected to provide timely notice to the Title IX Coordinator if they change Advisors at any time. It is assumed that if a party changes Advisors, consent to share information with the previous Advisor is terminated, and a release for the new Advisor must be secured. Parties are expected to inform the Title IX Coordinator of the identity of their hearing Advisor at least two (2) business days before the hearing.

j. Assistance in Securing an Advisor

For representation, Respondents may wish to contact organizations such as:

- FACE (<http://www.facecampusequality.org>)
- SAVE (<http://www.saveservices.org>).

Complainants may wish to contact organizations such as:

- The Victim Rights Law Center (<http://www.victimrights.org>),
- The National Center for Victims of Crime (<http://www.victimsofcrime.org>), which maintains the Crime Victim's Bar Association.]
- The Time's Up Legal Defense Fund: <https://nwlc.org/times-up-legal-defense-fund/>]

6. Resolution Processes

Resolution proceedings are private. All persons present at any time during the resolution process are expected to maintain the privacy of the proceedings in accordance with the College policy. While there is an expectation of privacy around what Investigators share with parties during interviews, the parties have discretion to share their own knowledge and evidence with others if they so choose. NCC encourages parties to discuss this with their Advisors before doing so.

Policy & Procedure No. 2.015
Nunez Community College

a. Informal Resolution

Informal Resolution can include three different approaches:

- When the parties agree to resolve the matter through an alternate resolution mechanism including mediation, restorative practices, etc.;
- When the Respondent accepts responsibility for violating policy, and desires to accept a sanction and end the resolution process; or
- When the Title IX Coordinator can resolve the matter informally by providing supportive measures to remedy the situation.

To initiate Informal Resolution, a Complainant needs to submit a formal complaint, as defined above. If a Respondent wishes to initiate Informal Resolution, they should contact the Title IX Coordinator to so indicate.

It is not necessary to pursue Informal Resolution first in order to pursue a Formal Grievance Process, and any party participating in Informal Resolution can stop the process at any time and begin or resume the Formal Grievance Process.

Prior to implementing Informal Resolution, the College will provide the parties with written notice of the reported misconduct and any sanctions or measures that may result from participating in such a process, including information regarding any records that will be maintained or shared by the College.

Nunez Community College will obtain voluntary, written confirmation that all parties wish to resolve the matter through Informal Resolution before proceeding and will not pressure the parties to participate in Informal Resolution.

b. Alternate Resolution

Policy & Procedure No. 2.015
Nunez Community College

Alternate Resolution is an informal process, including mediation or restorative practices, etc. by which a mutually agreed upon resolution of an allegation is reached. All parties must consent to the use of Alternate Resolution.

The Title IX Coordinator may look to the following factors to assess whether Alternate Resolution is appropriate, or which form of Alternate Resolution may be most successful for the parties:

- The parties' amenability to Alternate Resolution;
- Likelihood of potential resolution, taking into account any power dynamics between the parties;
- The parties' motivation to participate;
- Civility of the parties;
- Cleared violence risk assessment/ongoing risk analysis;
- Disciplinary history;
- Whether an emergency removal is needed;
- Skill of the Alternate Resolution facilitator with this type of complaint;
- Complaint complexity;
- Emotional investment/intelligence of the parties;
- Rationality of the parties;
- Goals of the parties;
- Adequate resources to invest in Alternate Resolution (time, staff, etc.)

The ultimate determination of whether Alternate Resolution is available or successful is to be made by

**Policy & Procedure No. 2.015
Nunez Community College**

the Title IX Coordinator. The Title IX Coordinator maintains records of any resolution that is reached, and failure to abide by the resolution agreement may result in appropriate responsive/disciplinary actions. Results of complaints resolved by Informal Resolution or Alternate Resolution are not appealable.

c. Respondent Accepts Responsibility for Alleged Violations

The Respondent may accept responsibility for all or part of the alleged policy violations at any point during the resolution process. If the Respondent indicates an intent to accept responsibility for all of the alleged misconduct, the formal process will be paused, and the Title IX Coordinator will determine whether Informal Resolution can be used according to the criteria in that section above.

If Informal Resolution is applicable, the Title IX Coordinator will determine whether all parties and the College are able to agree on responsibility, sanctions, and/or remedies. If so, the Title IX Coordinator implements the accepted finding that the Respondent is in violation of College policy and implements agreed-upon sanctions and/or remedies, in coordination with other appropriate administrator(s), as necessary.

This result is not subject to appeal once all parties indicate their written assent to all agreed upon terms of resolution. When the parties cannot agree on all terms of resolution, the Formal Grievance Process will resume at the same point where it was paused.

When a resolution is accomplished, the appropriate sanction or responsive actions are promptly implemented in order to effectively stop the harassment or discrimination, prevent its recurrence, and remedy the effects of the discriminatory conduct, both on the Complainant and the community.

d. Negotiated Resolution

The Title IX Coordinator, with the consent of the parties, may negotiate and implement an agreement to resolve the allegations that satisfies all parties and the College. Negotiated Resolutions are not appealable.

7. Grievance Process Pool

Policy & Procedure No. 2.015
Nunez Community College

The Formal Grievance Process relies on a pool of administrators (“the Pool”) to carry out the process. Members of the Pool are announced in an annual distribution of this policy to all students, parents/guardians of students, employees, prospective students, and prospective employees.

a. Pool Member Roles

Members of the Pool are trained annually, and can serve in in the following roles, at the direction of the Title IX Coordinator:

- To provide appropriate intake of and initial guidance pertaining to complaints
- To act as an Advisor to the parties
- To serve in a facilitation role in informal resolution or Alternate Resolution if appropriately trained in appropriate resolution modalities (e.g., mediation, restorative practices]
- To perform or assist with initial assessment
- To investigate complaints
- To serve as a hearing facilitator (process administrator, no decision-making role)
- To serve as a Decision-maker regarding the complaint
- To serve as an Appeal Decision-maker

b. Pool Member Appointment

The Title IX Coordinator, in consultation with administration, appoints the Pool, which acts with independence and impartiality. While members of the Pool are typically trained in a variety of skill sets and can rotate amongst the different roles listed above in different cases, the College can also designate

Policy & Procedure No. 2.015
Nunez Community College

permanent roles for individuals in the Pool, using others as substitutes or to provide greater depth of experience when necessary. This process of role assignment may be the result of particular skills, aptitudes, or talents identified in members of the Pool that make them best suited to particular roles.

c. Pool Member Training

The Pool members receive annual training based on their respective roles. This training includes, but is not limited to:

- The scope of Nunez Community College’s Discrimination and Harassment Policy and Procedures
- How to conduct investigations and hearings that protect the safety of Complainants and Respondents, and promote accountability
- Implicit bias
- Disparate treatment and impact
- Reporting, confidentiality, and privacy requirements
- Applicable laws, regulations, and federal regulatory guidance
- How to implement appropriate and situation-specific remedies
- How to investigate in a thorough, reliable, and impartial manner
- How to uphold fairness, equity, and due process
- How to weigh evidence
- How to conduct questioning
- How to assess credibility

Policy & Procedure No. 2.015 Nunez Community College

- Impartiality and objectivity
- How to render findings and generate clear, concise, evidence-based rationales
- The definitions of all offenses
- How to apply definitions used by the College with respect to consent (or the absence or negation of consent) consistently, impartially, and in accordance with policy
- How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes
- How to serve impartially by avoiding prejudgment of the facts at issue, conflicts of interest, and bias
- Any technology to be used at a live hearing
- Issues of relevance of questions and evidence
- Issues of relevance to create an investigation report that fairly summarizes relevant evidence
- How to determine appropriate sanctions in reference to all forms of harassment, discrimination, and/or retaliation allegations

Specific training is also provided for Appeal Decision-makers, intake personnel, Advisors (who are LCTCS or specific LCTCS member college employees), and Chairs. All Pool members are required to attend these trainings annually. The materials used to train all members of the Pool are publicly posted on the institutional website(s).

d. Pool Membership

The Pool typically includes:

- 4 or more chairs: one representative from HR and one from Student Affairs, etc.,

Policy & Procedure No. 2.015
Nunez Community College

who are members and who respectively Chair hearings for allegations involving student and employee Respondents

- 3 or more members of the Academic Affairs administration and/or faculty
- 3 or more members of the administration/staff
- 1 representative from Campus Safety (if applicable)
- 2 representatives from Human Resources
- 1 representative from Athletics (if applicable)

Pool members are usually appointed to three-year terms. Individuals who are interested in serving in the Pool are encouraged to contact the Title IX Coordinator.

8. Formal Grievance Process: Notice of Investigation and Allegations

The Title IX Coordinator will provide written notice of the investigation and allegations (the “NOIA”) to the Respondent upon commencement of the Formal Grievance Process. This facilitates the Respondent’s ability to prepare for the interview and to identify and choose an Advisor to accompany them. The NOIA is also copied to the Complainant, who is to be given advance notice of when the NOIA will be delivered to the Respondent.

The NOIA will include:

- A meaningful summary of all of allegations,
- The identity of the involved parties (if known),
- The precise misconduct being alleged,
- The date and location of the alleged incident(s) (if known),
- The specific policies implicated,

Policy & Procedure No. 2.015 Nunez Community College

- A description of the applicable procedures,
- A statement of the potential sanctions/responsive actions that could result,
- A statement that the College presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a different determination,
- A statement that determinations of responsibility are made at the conclusion of the process and that the parties will be given an opportunity to inspect and review all directly related and/or relevant evidence obtained during the review and comment period,
- A statement about the College’s policy on retaliation,
- Information about the privacy of the process,
- Information on the need for each party to have an Advisor of their choosing and suggestions for ways to identify an Advisor,
- A statement informing the parties that the College’s Policy prohibits knowingly making false statements, including knowingly submitting false information during the resolution process,
- Detail on how the party may request disability accommodations during the interview process,
- A link to the LCTCS or NCC’s VAWA information,
- The name(s) of the Investigator(s), along with a process to identify, in advance of the interview process, to the Title IX Coordinator any conflict of interest that the Investigator(s) may have, and
- An instruction to preserve any evidence that is directly related to the allegations.

Amendments and updates to the NOIA may be made as the investigation progresses and more

Policy & Procedure No. 2.015
Nunez Community College

information becomes available regarding the addition or dismissal of various charges.

Notice will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address(es) of the parties as indicated in official college records, or emailed to the parties' college-issued email or designated accounts. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

9. Resolution Timeline

Nunez Community College will make a good faith effort to complete the resolution process within a sixty-to-ninety (60-90) business day time period, including appeal, which can be extended as necessary for appropriate cause by the Title IX Coordinator, who will provide notice and rationale for any extensions or delays to the parties as appropriate, as well as an estimate of how much additional time will be needed to complete the process.

10. Appointment of Investigators

Once the decision to commence a formal investigation is made, the Title IX Coordinator appoints Pool members to conduct the investigation (typically using a team of one to two Investigators), usually within two (2) business days of determining that an investigation should proceed.

11. Ensuring Impartiality

Any individual materially involved in the administration of the resolution process [including the Title IX Coordinator, Investigator(s), and Decision-maker(s)] may neither have nor demonstrate a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent. The Title IX Coordinator will vet the assigned Investigator(s) to ensure impartiality by ensuring there are no actual or apparent conflicts of interest or disqualifying biases. The parties may, at any time during the resolution process, raise a concern regarding bias or conflict of interest, and the Title IX Coordinator will determine whether the concern is reasonable and supportable. If so, another Pool member will be assigned and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Title IX Coordinator, concerns should be raised with an Official with Authority (see that list of positions in a previous section).

Policy & Procedure No. 2.015
Nunez Community College

The Formal Grievance Process involves an objective evaluation of all relevant evidence obtained, including evidence which supports that the Respondent engaged in a policy violation and evidence which supports that the Respondent did not engage in a policy violation. Credibility determinations may not be based solely on an individual's status or participation as a Complainant, Respondent, or witness.

Nunez Community College operates with the presumption that the Respondent is not responsible for the reported misconduct unless and until the Respondent is determined to be responsible for a policy violation by the applicable standard of proof.

12. Investigation Timeline

Investigations are completed expeditiously, normally within thirty (30) business days, though some investigations may take weeks or even months, depending on the nature, extent, and complexity of the allegations, availability of witnesses, police involvement, etc.

Nunez will make a good faith effort to complete investigations as promptly as circumstances permit and will communicate regularly with the parties to update them on the progress and timing of the investigation.

13. Delays in the Investigation Process and Interactions with Law Enforcement

Nunez Community College may undertake a short delay in its investigation (several days to a few weeks) if circumstances require. Such circumstances include but are not limited to a request from law enforcement to temporarily delay the investigation, the need for language assistance, the absence of parties and/or witnesses, and/or accommodations for disabilities or health conditions.

The College will communicate in writing the anticipated duration of the delay and reason to the parties and provide the parties with status updates if necessary. Nunez will promptly resume its investigation and resolution process as soon as feasible. During such a delay, the College will implement supportive measures as deemed appropriate.

College action(s) are not typically altered or precluded on the grounds that civil or criminal charges

Policy & Procedure No. 2.015
Nunez Community College

involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

14. Steps in the Investigation Process

All investigations are thorough, reliable, impartial, prompt, and fair. Investigations involve interviews with all relevant parties and witnesses; obtaining available, relevant evidence; and identifying sources of expert information, as necessary.

All parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence and expert witnesses, and to fully review and respond to all evidence on the record.

The Investigator(s) typically take(s) the following steps, if not already completed (not necessarily in this order):

- Determine the identity and contact information of the Complainant
- In coordination with campus partners (e.g., the Title IX Coordinator), initiate or assist with any necessary supportive measures
- Identify all policies implicated by the alleged misconduct and notify the Complainant and Respondent of all of the specific policies implicated
- Assist the Title IX Coordinator with conducting a prompt initial assessment to determine if the allegations indicate a potential policy violation
- Commence a thorough, reliable, and impartial investigation by identifying issues and developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for all witnesses and the parties
- Meet with the Complainant to finalize their interview/statement, if necessary

Policy & Procedure No. 2.015 Nunez Community College

- Prepare the initial Notice of Investigation and Allegation (NOIA). The NOIA may be amended with any additional or dismissed allegations
 - Notice should inform the parties of their right to have the assistance of an Advisor, who could be a member of the Pool or an Advisor of their choosing present for all meetings attended by the party
- Provide each interviewed party and witness an opportunity to review and verify the Investigator’s summary notes (or transcript) of the relevant evidence/testimony from their respective interviews and meetings
- Make good faith efforts to notify the parties of any meeting or interview involving the other party, in advance when possible
- When participation of a party is expected, provide that party with written notice of the date, time, and location of the meeting, as well as the expected participants and purpose
- Interview all available, relevant witnesses and conduct follow-up interviews as necessary
- Allow each party the opportunity to suggest witnesses and questions they wish the Investigator(s) to ask of the other party and witnesses, and document in the report which questions were asked, with a rationale for any changes or omissions.
- Complete the investigation promptly and without unreasonable deviation from the intended timeline
- Provide regular status updates to the parties throughout the investigation.
- Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) with a list of witnesses whose information will be used to render a finding

Policy & Procedure No. 2.015
Nunez Community College

- Write a comprehensive investigation report fully summarizing the investigation, all witness interviews, and addressing all relevant evidence. Appendices including relevant physical or documentary evidence will be included
- The Investigator(s) gather, assess, and synthesize evidence, but make no conclusions, engage in no policy analysis, and render no recommendations as part of their report
- Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) a secured electronic or hard copy of the draft investigation report as well as an opportunity to inspect and review all of the evidence obtained as part of the investigation that is directly related to the reported misconduct, including evidence upon which the College does not intend to rely in reaching a determination, for a ten (10) business day review and comment period so that each party may meaningfully respond to the evidence. The parties may elect to waive the full ten days. Each copy of the materials shared will be watermarked on each page with the role of the person receiving it (e.g., Complainant, Respondent, Complainant's Advisor, Respondent's Advisor).
- The Investigator(s) may elect to respond in writing in the investigation report to the parties' submitted responses and/or to share the responses between the parties for additional responses
- The Investigator(s) will incorporate relevant elements of the parties' written responses into the final investigation report, include any additional relevant evidence, make any necessary revisions, and finalize the report. The Investigator(s) should document all rationales for any changes made after the review and comment period
- The Investigator(s) shares the report with the Title IX Coordinator and/or legal counsel for their review and feedback
- The Investigator will incorporate any relevant feedback, and the final report is then shared with all parties and their Advisors through secure electronic transmission or hard copy at least

Policy & Procedure No. 2.015
Nunez Community College

ten (10) business days prior to a hearing. The parties are also provided with a file of any directly related evidence that was not included in the report.

15. Role and Participation of Witnesses in the Investigation

Witnesses (as distinguished from the parties) who are employees of Nunez Community College are expected to cooperate with and participate in the investigation and resolution process. Failure of such witnesses to cooperate with and/or participate in the investigation or resolution process constitutes a violation of policy and may warrant discipline.

While in-person interviews for parties and all potential witnesses are ideal, circumstances (e.g., study abroad, summer break) may require individuals to be interviewed remotely. Skype, Zoom, FaceTime, WebEx, or similar technologies may be used for interviews if the Investigator(s) determine that timeliness or efficiency dictate a need for remote interviewing. The College will take appropriate steps to reasonably ensure the security/privacy of remote interviews.

Witnesses may also provide written statements in lieu of interviews or choose to respond to written questions, if deemed appropriate by the Investigator(s), though not preferred. If a witness submits a written statement but does not intend to be and is not present for cross examination at a hearing, their written statement may not be used as evidence.

16. Recording of Interviews

No unauthorized audio or video recording of any kind is permitted during investigation meetings.

17. Evidentiary Considerations in the Investigation

The investigation does not consider: 1) incidents not directly related to the possible violation, unless they evidence a pattern; 2) the character of the parties; or 3) questions and evidence about the Complainant's sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific

Policy & Procedure No. 2.015
Nunez Community College

incidents of the Complainant’s prior sexual behavior with respect to the Respondent and are offered to prove consent.

18. Referral for Hearing

Provided that the complaint is not resolved through Informal Resolution, once the final investigation report is shared with the parties, the Title IX Coordinator will refer the matter for a hearing.

The hearing cannot be less than ten (10) business days from the conclusion of the investigation –when the final investigation report is transmitted to the parties and the Decision-maker–unless all parties and the Decision-maker agree to an expedited timeline.

The Title IX Coordinator will select an appropriate Decision-maker or Decision-makers from the Pool depending on whether the Respondent is an employee or a student. Allegations involving student-employees will be directed to the appropriate Decision-maker depending on the context of the alleged misconduct.

19. Hearing Decision-maker Composition

Nunez Community College will designate a single Decision-maker or a three-member panel from the Pool, at the discretion of the Title IX Coordinator. The single Decision-maker will also Chair the hearing. With a panel, one of the three members will be appointed as Chair by the Title IX Coordinator.

The Decision-maker(s) will not have had any previous involvement with the investigation. The Title IX Coordinator may elect to have an alternate from the Pool sit in throughout the resolution process in the event that a substitute is needed for any reason.

Those who have served as Investigators will be witnesses in the hearing and therefore may not serve as Decision-makers. Those who are serving as Advisors for any party may not serve as Decision-makers in that matter.

The Title IX Coordinator may not serve as a Decision-maker or Chair in the matter but may serve as an administrative facilitator of the hearing if their previous role(s) in the matter do not create a conflict of interest. Otherwise, a designee may fulfill this role. The hearing will convene at a time determined by the Chair or designee.

20. Evidentiary Considerations in the Hearing

Any evidence that the Decision-maker(s) determine(s) is relevant and credible may be considered. The hearing does not consider: 1) incidents not directly related to the possible violation, unless they evidence a pattern; 2) the character of the parties; or 3) questions and evidence about the Complainant's sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

Previous disciplinary action of any kind involving the Respondent may be considered in determining an appropriate sanction upon a determination of responsibility, assuming the College uses a progressive discipline system. This information is only considered at the sanction stage of the process.

The parties may each submit a written impact statement prior to the hearing for the consideration of the Decision-maker(s) at the sanction stage of the process when a determination of responsibility is reached.

After post-hearing deliberation, the Decision-maker renders a determination based on the preponderance of the evidence; whether it is more likely than not that the Respondent violated the Policy as alleged. OR clear and convincing evidence; whether there is a high probability that the Respondent violated the Policy as alleged.

21. Notice of Hearing

No less than ten (10) business days prior to the hearing, the Title IX Coordinator or the Chair will send notice of the hearing to the parties. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

The notice will contain:

Policy & Procedure No. 2.015
Nunez Community College

- A description of the alleged violation(s), a list of all policies allegedly violated, a description of the applicable procedures, and a statement of the potential sanctions/responsive actions that could result.
- The time, date, and location of the hearing and a reminder that attendance is mandatory, superseding all other campus activities.
- Any technology that will be used to facilitate the hearing.
- Information about the option for the live hearing to occur with the parties located in separate rooms using technology that enables the Decision-maker(s) and parties to see and hear a party or witness answering questions. Such a request must be raised with the Title IX Coordinator at least five (5) business days prior to the hearing.
- A list of all those who will attend the hearing, along with an invitation to object to any Decision-maker on the basis of demonstrated bias. This must be raised with the Title IX Coordinator at least two (2) business days prior to the hearing.
- Information on how the hearing will be recorded and on access to the recording for the parties after the hearing.
- A statement that if any party or witness does not appear at the scheduled hearing, the hearing may be held in their absence, and the party's or witness's testimony and any statements given prior to the hearing will not be considered by the Decision-maker(s). For compelling reasons, the Chair may reschedule the hearing.
- Notification that the parties may have the assistance of an Advisor of their choosing at the hearing and will be required to have one present for any questions they may desire to ask. The party must notify the Title IX Coordinator if they do not have an Advisor, and the College will appoint one. Each party must have an Advisor present. There are no exceptions.

Policy & Procedure No. 2.015 Nunez Community College

- A copy of all the materials provided to the Decision-maker(s) about the matter, unless they have been provided already.¹³
- An invitation to each party to submit to the Chair an impact statement pre-hearing that the Decision-maker will review during any sanction determination.
- An invitation to contact the Title IX Coordinator to arrange any disability accommodations, language assistance, and/or interpretation services that may be needed at the hearing, at least seven (7) business days prior to the hearing.
- Whether parties can/cannot bring mobile phones/devices into the hearing.

Hearings for possible violations that occur near or after the end of an academic term (assuming the Respondent is still subject to this Policy) and are unable to be resolved prior to the end of term will typically be held immediately after the end of the term or during the summer, as needed, to meet the resolution timeline followed by the College and remain within the 60-90 business day goal for resolution.

In these cases, if the Respondent is a graduating student, a hold may be placed on graduation and/or official transcripts until the matter is fully resolved (including any appeal). A student facing charges under this Policy is not in good standing to graduate.

22. Alternative Hearing Participation Options

If a party or parties prefer not to attend or cannot attend the hearing in person, the party should request alternative arrangements from the Title IX Coordinator or the Chair at least five (5) business days prior to the hearing.

The Title IX Coordinator or the Chair can arrange to use technology to allow remote testimony without compromising the fairness of the hearing. Remote options may also be needed for witnesses who cannot appear in person. Any witness who cannot attend in person should let the Title IX Coordinator or the

¹³ The final investigation report may be shared using electronic means that preclude downloading, forwarding, or otherwise sharing.

Policy & Procedure No. 2.015
Nunez Community College

Chair know at least five (5) business days prior to the hearing so that appropriate arrangements can be made.

23. Pre-Hearing Preparation

The Chair, after any necessary consultation with the parties, Investigator(s) and/or Title IX Coordinator, will provide the names of persons who will be participating in the hearing, all pertinent documentary evidence, and the final investigation report to the parties at least ten (10) business days prior to the hearing.

Any witness scheduled to participate in the hearing must have been first interviewed by the Investigator(s) [or have proffered a written statement or answered written questions], unless all parties and the Chair assent to the witness's participation in the hearing. The same holds for any evidence that is first offered at the hearing. If the parties and Chair do not assent to the admission of evidence newly offered at the hearing, the Chair will delay the hearing and instruct that the investigation needs to be re-opened to consider that evidence.

The parties will be given a list of the names of the Decision-maker(s) at least five (5) business days in advance of the hearing. All objections to any Decision-maker must be raised in writing, detailing the rationale for the objection, and must be submitted to the Title IX Coordinator as soon as possible and no later than one day prior to the hearing. Decision-makers will only be removed if the Title IX Coordinator concludes that their bias or conflict of interest precludes an impartial hearing of the allegation(s).

The Title IX Coordinator will give the Decision-maker(s) a list of the names of all parties, witnesses, and Advisors at least five (5) business days in advance of the hearing. Any Decision-maker who cannot make an objective determination must recuse themselves from the proceedings when notified of the identity of the parties, witnesses, and Advisors in advance of the hearing. If a Decision-maker is unsure of whether a bias or conflict of interest exists, they must raise the concern to the Title IX Coordinator as soon as possible.

During the ten (10) business day period prior to the hearing, the parties have the opportunity for continued review and comment on the final investigation report and available evidence. That review and comment

Policy & Procedure No. 2.015
Nunez Community College

can be shared with the Chair at the pre-hearing meeting or at the hearing and will be exchanged between each party by the Chair.

24. Pre-Hearing Meetings

The Chair may convene a pre-hearing meeting(s) with the parties and/or their Advisors to invite them to submit the questions or topics they (the parties and/or their Advisors) wish to ask or discuss at the hearing, so that the Chair can rule on their relevance ahead of time to avoid any improper evidentiary introduction in the hearing or provide recommendations for more appropriate phrasing. However, this advance review opportunity does not preclude the Advisors from asking at the hearing for a reconsideration based on any new information or testimony offered at the hearing. The Chair must document and share their rationale for any exclusion or inclusion at this pre-hearing meeting.

The Chair, **only** with full agreement of the parties, may decide in advance of the hearing that certain witnesses do not need to be present if their testimony can be adequately summarized by the Investigator(s) in the investigation report or during the hearing.

At each pre-hearing meeting with a party and their Advisor, the Chair will consider arguments that evidence identified in the final investigation report as relevant is, in fact, not relevant. Similarly, evidence identified as directly related but not relevant by the Investigator(s) may be argued to be relevant. The Chair may rule on these arguments pre-hearing and will exchange those rulings between the parties prior to the hearing to assist in preparation for the hearing. The Chair may consult with legal counsel and/or the Title IX Coordinator or ask either or both to attend pre-hearing meetings.

The pre-hearing meeting(s) will not be recorded.

25. Hearing Procedures

At the hearing, the Decision-maker(s) has the authority to hear and make determinations on all allegations of discrimination, harassment, and/or retaliation and may also hear and make determinations on any additional alleged policy violations that have occurred in concert with the discrimination, harassment, and/or retaliation, even though those collateral allegations may not specifically fall within the policy on Equal Opportunity, Harassment, and Nondiscrimination.

Policy & Procedure No. 2.015
Nunez Community College

Participants at the hearing will include the Chair, any additional panelists, the hearing facilitator, the Investigator(s) who conducted the investigation, the parties (or three (3) organizational representatives when an organization is the Respondent), Advisors to the parties, any called witnesses, the Title IX Coordinator, and anyone providing authorized accommodations or assistive services.

The Chair will answer all questions of procedure. Anyone appearing at the hearing to provide information will respond to questions on their own behalf.

The Chair will allow witnesses who have relevant information to appear at a portion of the hearing in order to respond to specific questions from the Decision-maker(s) and the parties and will then be excused.

26. Joint Hearings

In hearings involving more than one Respondent or in which two (2) or more Complainants have accused the same individual of substantially similar conduct, the default procedure will be to hear the allegations jointly.

However, the Title IX Coordinator may permit the investigation and/or hearings pertinent to each Respondent to be conducted separately if there is a compelling reason to do so. In joint hearings, separate determinations of responsibility will be made for each Respondent with respect to each alleged policy violation.

27. The Order of the Hearing – Introductions and Explanation of Procedure

The Chair explains the procedures and introduces the participants. This may include a final opportunity for challenge or recusal of the Decision-maker(s) on the basis of bias or conflict of interest. The Chair will rule on any such challenge unless the Chair is the individual who is the subject of the challenge, in which case the Title IX Coordinator will review and decide the challenge.

The Chair then conducts the hearing according to the hearing script. At the hearing, recording, witness logistics, party logistics, curation of documents, separation of the parties, and other administrative elements of the hearing process are managed by a non-voting hearing facilitator appointed by the Title IX

Policy & Procedure No. 2.015
Nunez Community College

Coordinator. The hearing facilitator may attend to: logistics of rooms for various parties/witnesses as they wait; flow of parties/witnesses in and out of the hearing space; ensuring recording and/or virtual conferencing technology is working as intended; copying and distributing materials to participants, as appropriate, etc.

28. Investigator Presents the Final Investigation Report

The Investigator(s) will then present a summary of the final investigation report, including items that are contested and those that are not, and will be subject to questioning by the Decision-maker(s) and the parties (through their Advisors). The Investigator(s) will be present during the entire hearing process, but not during deliberations.

Neither the parties nor the Decision-maker(s) should ask the Investigator(s) their opinions on credibility, recommended findings, or determinations, and the Investigators, Advisors, and parties will refrain from discussion of or questions about these assessments. If such information is introduced, the Chair will direct that it be disregarded.

29. Testimony and Questioning

Once the Investigator(s) present their report and are questioned, the parties and witnesses may provide relevant information in turn, beginning with the Complainant, and then in the order determined by the Chair. The parties/witnesses will submit to questioning by the Decision-maker(s) and then by the parties through their Advisors (“cross-examination”).

All questions are subject to a relevance determination by the Chair. The Advisor, who will remain seated during questioning, will pose the proposed question orally, electronically, or in writing (orally is the default, but other means of submission may be permitted by the Chair upon request or agreed to by the parties and the Chair), the proceeding will pause to allow the Chair to consider it, and the Chair will determine whether the question will be permitted, disallowed, or rephrased.

The Chair may explore arguments regarding relevance with the Advisors, if the Chair so chooses. The Chair will then state their decision on the question for the record and advise the party/witness to whom the question was directed, accordingly. The Chair will explain any decision to exclude a question as not

Policy & Procedure No. 2.015
Nunez Community College

relevant, or to reframe it for relevance.

The Chair will limit or disallow questions on the basis that they are irrelevant, unduly repetitious (and thus irrelevant), or abusive. The Chair has final say on all questions and determinations of relevance, subject to any appeal. The Chair may consult with legal counsel on any questions of admissibility. The Chair may ask advisors to frame why a question is or is not relevant from their perspective but will not entertain argument from the advisors on relevance once the Chair has ruled on a question.

If the parties raise an issue of bias or conflict of interest of an Investigator or Decision-maker at the hearing, the Chair may elect to address those issues, consult with legal counsel, and/or refer them to the Title IX Coordinator, and/or preserve them for appeal. If bias is not in issue at the hearing, the Chair should not permit irrelevant questions that probe for bias.

30. Refusal to Submit to Cross-Examination and Inferences

If a party or witness chooses not to submit to cross-examination at the hearing, either because they do not attend the meeting, or they attend but refuse to participate in questioning, then the Decision-maker(s) may not rely on any prior statement made by that party or witness at the hearing (including those contained in the investigation report) in the ultimate determination of responsibility. The Decision-maker(s) must disregard that statement. Evidence provided that is something other than a statement by the party or witness may be considered.

If the party or witness attends the hearing and answers some cross-examination questions, only statements related to the cross-examination questions they refuse to answer cannot be relied upon. However, if the statements of the party who is refusing to submit to cross-examination or refuses to attend the hearing are the subject of the allegation itself (e.g., the case is about verbal harassment or a quid pro quo offer), then those statements are not precluded from admission. Similarly, statements can be relied upon when questions are posed by the Decision-maker(s), as distinguished from questions posed by Advisors through cross-examination.

The Decision-maker(s) may not draw any inference solely from a party's or witness's absence from the hearing or refusal to answer cross-examination or other questions.

Policy & Procedure No. 2.015
Nunez Community College

If charges of policy violations other than sexual harassment are considered at the same hearing, the Decision-maker(s) may consider all evidence it deems relevant, may rely on any relevant statement as long as the opportunity for cross-examination is afforded to all parties through their Advisors, and may draw reasonable inferences from any decision by any party or witness not to participate or respond to questions.

If a party's Advisor of choice refuses to comply with the College's established rules of decorum for the hearing, the College may require the party to use a different Advisor. If College-provided Advisor refuses to comply with the rules of decorum, the College may provide that party with a different Advisor to conduct cross-examination on behalf of that party.

31. Recording Hearings

Hearings (but not deliberations) are recorded by the College for purposes of review in the event of an appeal. The parties may not record the proceedings and no other unauthorized recordings are permitted.

The Decision-maker(s), the parties, their Advisors, and appropriate administrators of the College will be permitted to listen to the recording in a controlled environment determined by the Title IX Coordinator. No person will be given or be allowed to make a copy of the recording without permission of the Title IX Coordinator.

32. Deliberation, Decision-making, and Standard of Proof

The Decision-maker(s) will deliberate in closed session to determine whether the Respondent is responsible or not responsible for the policy violation(s) in question. If a panel is used, a simple majority vote is required to determine the finding. The preponderance of the evidence standard of proof is used. The hearing facilitator may be invited to attend the deliberation by the Chair, but is there only to facilitate procedurally, not to address the substance of the allegations.

When there is a finding of responsibility on one or more of the allegations, the Decision-maker(s) may then consider the previously submitted party impact statements in determining appropriate sanction(s).

Policy & Procedure No. 2.015
Nunez Community College

The Chair will ensure that each of the parties has an opportunity to review any impact statement submitted by the other party(ies). The Decision-maker(s) may – at their discretion – consider the statements, but they are not binding.

The Decision-maker(s) will review the statements and any pertinent conduct history provided by appropriate administrator and will determine the appropriate sanction(s) in consultation with other appropriate administrators, as required.

The Chair will then prepare a written deliberation statement and deliver it to the Title IX Coordinator, detailing the determination, rationale, the evidence used in support of its determination, the evidence disregarded, credibility assessments, and any sanctions or recommendations.

This report typically should not exceed three (3) to five (5) pages in length and must be submitted to the Title IX Coordinator within two (2) business days of the end of deliberations, unless the Title IX Coordinator grants an extension. If an extension is granted, the Title IX Coordinator will notify the parties.

33. Notice of Outcome

Using the deliberation statement, the Title IX Coordinator will work with the Chair to prepare a Notice of Outcome. The Title IX Coordinator will then share the letter, including the final determination, rationale, and any applicable sanction(s) with the parties and their Advisors within 7 business days of receiving the Decision-maker(s)' deliberation statement.

The Notice of Outcome will then be shared with the parties simultaneously. Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official college records, or emailed to the parties' college-issued email or otherwise approved account. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

The Notice of Outcome will identify the specific policy(ies) reported to have been violated, including the relevant policy section, and will contain a description of the procedural steps taken by the College from the receipt of the misconduct report to the determination, including any and all notifications to the parties,

Policy & Procedure No. 2.015
Nunez Community College

interviews with parties and witnesses, site visits, methods used to obtain evidence, and hearings held.

The Notice of Outcome will specify the finding on each alleged policy violation; the findings of fact that support the determination; conclusions regarding the application of the relevant policy to the facts at issue; a statement of, and rationale for, the result of each allegation to the extent the College is permitted to share such information under state or federal law; any sanctions issued which the College is permitted to share according to state or federal law; and any remedies provided to the Complainant designed to ensure access to the College's educational or employment program or activity, to the extent the College is permitted to share such information under state or federal law (this detail is not typically shared with the Respondent unless the remedy directly relates to the Respondent).

The Notice of Outcome will also include information on when the results are considered by the College to be final, any changes that occur prior to finalization, and the relevant procedures and bases for any available appeal options.

34. Statement of the Rights of the Parties (See Addendum)

35. Sanctions

Factors considered when determining a sanction/responsive action may include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation(s)
- The Respondent's disciplinary history
- Previous allegations or allegations involving similar conduct
- The need for sanctions/responsive actions to bring an end to the discrimination, harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of discrimination, harassment, and/or retaliation
- The need to remedy the effects of the discrimination, harassment, and/or

Policy & Procedure No. 2.015
Nunez Community College

- retaliation on the Complainant and the community
- The impact on the parties
- Any other information deemed relevant by the Decision-maker(s)

The sanctions will be implemented as soon as is feasible, either upon the outcome of any appeal or the expiration of the window to appeal without an appeal being requested.

The sanctions described in this policy are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed by external authorities.

a. Student Sanctions Examples

The following are the usual sanctions¹⁴ that may be imposed upon students or organizations singly or in combination¹⁵:

- *Warning:* A formal statement that the conduct was unacceptable and a warning that further violation of any college policy, procedure, or directive will result in more severe sanctions/responsive actions.
- *Required Counseling:* A mandate to meet with and engage in either LCTCS or Nunez college-sponsored or external counseling to better comprehend the misconduct and its effects.
- *Probation:* A written reprimand for violation of institutional policy, providing for more severe disciplinary sanctions in the event that the student or organization is found in violation of any institutional policy, procedure, or directive within a specified period of time. Terms of the probation will be articulated and may include denial of specified social privileges, exclusion from

¹⁵ Subject to LCTCS or any LCTCS member college's Organizational Code of Conduct.

co-curricular activities, exclusion from designated areas of campus, no-contact orders, and/or other measures deemed appropriate.

- *Suspension*: Termination of student status for a definite period of time not to exceed two years and/or until specific criteria are met. Students who return from suspension are automatically placed on probation through the remainder of their tenure as a Nunez student.
- *Expulsion*: Permanent termination of student status and revocation of rights to be on campus for any reason or to attend LCTCS or Nunez-sponsored events. This sanction will be noted permanently as a Conduct Expulsion on the student's official transcript, subject to any applicable expungement policies.
- *Withholding Diploma*: Nunez Community College may withhold a student's diploma for a specified period of time and/or deny a student participation in commencement activities if the student has an allegation pending or as a sanction if the student is found responsible for an alleged violation.
- *Revocation of Degree*: The LCTCS or Nunez Community College reserves the right to revoke a degree previously awarded from a college for fraud, misrepresentation, and/or other violation of college policies, procedures, or directives in obtaining the degree, or for other serious violations committed by a student prior to graduation.
- *Organizational Sanctions*: Deactivation, loss of recognition, loss of some or all privileges (including Nunez college registration) for a specified period of time.
- *Other Actions*: In addition to or in place of the above sanctions, Nunez may assign any other sanctions as deemed appropriate.

b. Employee Sanctions

Responsive actions for an employee who has engaged in harassment, discrimination, and/or retaliation

Policy & Procedure No. 2.015

include:

- *Warning – Verbal or Written*
- *Performance Improvement/Management Process*
- *Required Counseling*
- *Required Training or Education*
- *Probation*
- *Loss of Annual Pay Increase*
- *Loss of Oversight or Supervisory Responsibility*
- *Demotion*
- *Suspension with pay*
- *Suspension without pay*
- *Termination*

36. Withdrawal or Resignation While Charges Pending

Students: If a student has an allegation pending for violation of the Policy on Equal Opportunity, Harassment, and Nondiscrimination, the College may place a hold on a student's ability to graduate and/or to receive an official transcript/diploma.

**Policy & Procedure No. 2.015
Nunez Community College**

Should a student decide to not participate in the resolution process, the process proceeds absent their participation to a reasonable resolution. Should a student Respondent permanently withdraw from the College, the resolution process ends, as the College no longer has disciplinary jurisdiction over the withdrawn student.

However, the College will continue to address and remedy any systemic issues, variables that may have contributed to the alleged violation(s), and any ongoing effects of the alleged harassment, discrimination, and/or retaliation. The student who withdraws or leaves while the process is pending may not return to Nunez Community College. Such exclusion applies to all campuses of LCTCS. A hold will be placed on their ability to be readmitted. They may also be barred from LCTCS or specific LCTCS member college property and/or events.

If the student Respondent only withdraws or takes a leave for a specified period of time (e.g., one semester or term), the resolution process may continue remotely and that student is not permitted to return to the College unless and until all sanctions have been satisfied.

During the resolution process, the College may put a hold on a responding student's transcript or place a notation on a responding student's transcript or dean's disciplinary certification that a disciplinary matter is pending.

Employees: Should an employee Respondent resign with unresolved allegations pending, the resolution process ends, as the College no longer has disciplinary jurisdiction over the resigned employee.

However, Nunez Community College will continue to address and remedy any systemic issues, variables that contributed to the alleged violation(s), and any ongoing effects of the alleged harassment or discrimination.

The employee who resigns with unresolved allegations pending is not eligible for rehire with the LCTCS, Nunez or any campus of the LCTCS college, and the records retained by the Title IX Coordinator will reflect that status.

All LCTCS and Nunez Community College responses to future inquiries regarding employment references for that individual will include that the former employee resigned during a pending

disciplinary matter.

37. Appeals

Any party may file a request for appeal (“Request for Appeal”), but it must be submitted in

A single Appeal Decision-maker will Chair the appeal. No appeal Decision-maker will have been involved in the process previously, including any dismissal appeal that may have been heard earlier in the process.

The Request for Appeal will be forwarded to the Appeal Chair for consideration to determine if the request meets the grounds for appeal (a Review for Standing).

This review is not a review of the merits of the appeal, but solely a determination as to whether the request meets the grounds and is timely filed.

a. Grounds for Appeal

Appeals are limited to the following grounds:

- (A) Procedural irregularity that affected the outcome of the matter;
- (B) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- (C) The Title IX Coordinator, Investigator(s), or Decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that affected the outcome of the matter.

If any of the grounds in the Request for Appeal do not meet the grounds in this Policy, that request will be denied by the Chair and the parties and their Advisors will be notified in writing of the denial and the rationale.

Policy & Procedure No. 2.015
Nunez Community College

If any of the grounds in the Request for Appeal meet the grounds in this Policy, then the Appeal Chair will notify the other party(ies) and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigators and/or the original Decision-maker(s).

The other party(ies) and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigators and/or the original Decision-maker(s) will be mailed, emailed, and/or provided a hard copy of the request with the approved grounds and then be given 7 business days to submit a response to the portion of the appeal that was approved and involves them. All responses will be forwarded by the Appeal Chair to all parties for review and comment.

The non-appealing party (if any) may also choose to raise a new ground for appeal at this time. If so, that will be reviewed for standing by the Appeal Chair and either denied or approved. If approved, it will be forwarded to the party who initially requested an appeal, the Investigator(s) and/or original Decision-maker(s), as necessary, who will submit their responses in 7 business days, which will be circulated for review and comment by all parties.

Neither party may submit any new requests for appeal after this time period. The Appeal Chair will collect any additional information needed and all documentation regarding the approved grounds and the subsequent responses. The Appeal Chair/Decision-maker will render a decision in no more than 7 business days, barring exigent circumstances. All decisions apply the preponderance of the evidence standard.

A Notice of Appeal Outcome will be sent to all parties simultaneously including the decision on each approved ground and rationale for each decision. The Notice of Appeal Outcome will specify the finding on each ground for appeal, any specific instructions for remand or reconsideration, any sanctions that may result which the College is permitted to share according to state or federal law, and the rationale supporting the essential findings to the extent the College is permitted to share under state or federal law.

Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official institutional records, or emailed to the parties' college-issued email or otherwise approved account. Once mailed, emailed and/or received in-person, notice will be presumptively delivered.

b. Sanctions Status During the Appeal

Any sanctions imposed as a result of the hearing are stayed during the appeal process. Supportive measures may be reinstated, subject to the same supportive measure procedures above.

If any of the sanctions are to be implemented immediately post-hearing, then emergency removal procedures (detailed above) for a hearing on the justification for doing so must be permitted within 48 hours of implementation.

Nunez Community College may still place holds on official transcripts, diplomas, graduations, and course registration pending the outcome of an appeal when the original sanctions included separation.

c. Appeal Considerations

- Decisions on appeal are to be deferential to the original decision, making changes to the finding only when there is clear error and to the sanction(s)/responsive action(s) only if there is a compelling justification to do so.
- Appeals are not intended to provide for a full re-hearing (de novo) of the allegation(s). In most cases, appeals are confined to a review of the written documentation or record of the original hearing and pertinent documentation regarding the specific grounds for appeal.
- An appeal is not an opportunity for Appeal Decision-makers to substitute their judgment for that of the original Decision-maker(s) merely because they disagree with the finding and/or sanction(s).
- The Appeal Chair/Panel may consult with the Title IX Coordinator on questions of procedure or rationale, for clarification, if needed. Documentation of all such consultation will be maintained.

Policy & Procedure No. 2.015
Nunez Community College

- Appeals granted based on new evidence should normally be remanded to the original Investigator(s) and/or Decision-maker(s) for reconsideration. Other appeals may be remanded at the discretion of the Title IX Coordinator or, in limited circumstances, decided on appeal.
- Once an appeal is decided, the outcome is final: further appeals are not permitted, even if a decision or sanction is changed on remand (except in the case of a new hearing).
- In rare cases where a procedural error cannot be cured by the original Decision-maker(s) (as in cases of bias), the appeal may order a new hearing with a new Decision-maker(s).
- The results of a remand to a Decision-maker(s) cannot be appealed. The results of a new hearing can be appealed, once, on any of the three available appeal grounds.
- In cases in which the appeal results in reinstatement to the College or resumption of privileges, all reasonable attempts will be made to restore the Respondent to their prior status, recognizing that some opportunities lost may be irreparable in the short term.

38. Long-Term Remedies/Other Actions

Following the conclusion of the resolution process, and in addition to any sanctions implemented, the Title IX Coordinator may implement additional long-term remedies or actions with respect to the parties and/or the campus community that are intended to stop the harassment, discrimination, and/or retaliation, remedy the effects, and prevent reoccurrence.

These remedies/actions may include, but are not limited to:

- Referral to counseling and health services
- Referral to the Employee Assistance Program
- Education to the individual and/or the community

Policy & Procedure No. 2.015
Nunez Community College

- Permanent alteration of housing assignments
- Permanent alteration of work arrangements for employees
- Provision of campus safety escorts
- Climate surveys
- Policy modification and/or training
- Provision of transportation accommodations
- Implementation of long-term contact limitations between the parties
- Implementation of adjustments to academic deadlines, course schedules, etc.

At the discretion of the Title IX Coordinator, certain long-term support or measures may also be provided to the parties even if no policy violation is found.

When no policy violation is found, the Title IX Coordinator will address any remedies owed by the College to the Respondent to ensure no effective denial of educational access.

Nunez Community College will maintain the privacy of any long-term remedies/actions/measures, provided privacy does not impair the College's ability to provide these services.

39. Failure to Comply with Sanctions and/or Interim and Long-term Remedies and/or Responsive Actions

All Respondents are expected to comply with the assigned sanctions, responsive actions, and/or corrective actions within the timeframe specified by the final Decision-maker(s) (including the Appeal Chair/Panel).

Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s)/action(s), including suspension, expulsion, and/or termination from the College and may be noted on a student's official transcript.

Policy & Procedure No. 2.015
Nunez Community College

A suspension will only be lifted when compliance is achieved to the satisfaction of the Title IX Coordinator.

40. Recordkeeping

Nunez Community College will maintain for a period of seven years records of:

Policy & Procedure No. 2.015
Nunez Community College

- c. If no supportive measures were provided to the Complainant, document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

Nunez Community College will also maintain any and all records in accordance with state and federal laws.

41. Disabilities Accommodations in the Resolution Process

Nunez Community College is committed to providing reasonable accommodations and support to qualified students, employees, or others with disabilities to ensure equal access to the College’s resolution process.

Anyone needing such accommodations or support should contact the Coordinator of Disability Services or the Director of Human Resources for employees, who will review the request and, in consultation with the person requesting the accommodation and the Title IX Coordinator, determine which accommodations are appropriate and necessary for full participation in the process.

42. Revision of this Policy and Procedures

This Policy and procedures supersede any previous policy(ies) addressing harassment, sexual misconduct, discrimination, and/or retaliation and will be reviewed and updated annually by the Title IX Coordinator. Nunez reserves the right to make changes to this document as necessary, and once those changes are posted online, they are in effect.

During the resolution process, the Title IX Coordinator may make minor modifications to procedures that do not materially jeopardize the fairness owed to any party, such as to accommodate summer schedules. The Title IX Coordinator may also vary procedures materially with notice (on the institutional website, with the appropriate effective date identified) upon determining that changes to law or regulation require policy or procedural alterations not reflected in this Policy and procedures.

If government laws or regulations change – or court decisions alter – the requirements in a way that impacts this document, this document will be construed to comply with the most recent government regulations or holdings.
