## 2023-2024 Non Filer Form

Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_ Student ID #: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

Email Address: \_\_\_\_\_ Telephone Number: \_\_\_\_\_

Your application was selected for review in a process called “Verification.” In this process, the Financial Aid Office will be comparing information from your FAFSA application with your 2021 W-2 forms and any other requested financial documents. The law says the Financial Aid Office has the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial information, the Financial Aid Office may need to make corrections electronically to your FAFSA application.

*Verification of Non-filing* – Individuals are still required to obtain verification of non-filing (VNF) from the IRS or other tax authorities. However, if the individual is unable to obtain VNF from the IRS or other tax authorities and, based upon the institution’s determination, it has no reason to question the student’s or family’s good-faith effort to obtain the required documentation the institution may accept:

Nontax filers - For independent students, and parents of dependent students who did not file and are not required to file an income tax return for the applicable tax year 2021

- A signed statement certifying that the individual:
  - Attempted to obtain the VNF from the IRS or other tax authorities and was unable to obtain the required documentation; and
  - Has not filed and is not required to file a 2020- or 2021-income tax return, and a listing of the sources of any 2020 or 2021 income earned by the individual from work and the amount of income from each source; and
- A copy of IRS Form W–2, or an equivalent document, for each source of 2020 or 2021 employment income received by the individual.

**What you should do:**
