

Nunez Community College
Practical Nursing Program

Validation/Challenge Test Information

All students applying to the Nunez Community College Practical Nursing Program whose Anatomy & Physiology and Nutrition courses are older than 4 years and/or below 80% ("B") are required to validate/challenge their course. Validation testing may be taken twice, with a thirty-day waiting period between test dates. If an acceptable score is not attained, the student will be required to retake the course he/she attempted to challenge. To schedule your exam, please contact the Health & Natural Sciences office at (504) 278-6380. Registration for testing is scheduled on a first-come, first-served basis. Testing dates and times are listed below. Testing takes approximately two (2) hours.

Testing Fees:

Nutrition Exam: \$35.00

Anatomy & Physiology: \$35.00

Validation Registration instructions:

1. Contact the Health & Natural Sciences Office to schedule your test date.
2. Obtain a Validation Registration Form from the Health & Natural Sciences Office.
3. Take the completed registration form to the Bursar's office for payment.
4. Pay testing fee.
5. Have the Bursar stamp "paid" on the registration form and receipt.
6. Attend testing on the scheduled date. Arrive for the exam 30 minutes prior to the scheduled testing time. You must have photo ID, stamped registration form, and receipt.

No electronic devices will be allowed during test.

No substitutions, cancellations, refunds or rescheduling.
