

Nunez Community College Foundation Athletics Fund

Hello Sports Fans!

The Nunez Community College Foundation's Athletics Fund needs your support for the upcoming baseball season. As you may have heard, we are starting a men's baseball team at Nunez for the 2017 – 2018 year. Our team will compete in National Junior College Athletic Association (NJCAA) region 23 with other teams from Louisiana and Mississippi.

You can support our first team in its first season by funding equipment, uniforms, travel, and other start-up expenses! Be a part of sports history!
