

Nunez Community College Tuition Hardship Waiver Policy & Application Process

Nunez Community College requires a determination of financial need, as defined by the US Department of Education for financial aid programs. The student will be eligible for a waiver equal to the amount of the unmet need that is less than or equal to the entire Operational Fee or Academic Excellence Fee, or any other tuition and fee increase.

Students may apply for the waiver by having the determination of financial need completed as part of the federal financial aid process and completing a standard tuition waiver form and indicate Hardship at the top of the form.

Assistance in completing the application process is available by visiting or calling the Bursar's Office or the Office of Student Affairs.
