

## Program Student Learning Outcomes Assessment 2023-2024 Reflection and 2024-2025 Plans

Program represented on this:

Person Completing Form:

This form should be used as a reflection tool and to state implementation plans for academic program improvement to reach goals for the next year.

### Student Learning Outcome 1

1. State Student Learning Outcome 1.

2. State the Strategic Plan Goal that aligns with the Student Learning Outcome: To increase student success.

3. Complete the following table using your 2023-2024 IE plan. There should be a minimum of 2 assessments per student learning outcome, and no more than 4.

Course	Assessment Tool	Benchmark, Target, or Performance Level	Assessment Results (Fall and Spring)	Detailed Analysis of Results		
				Was the target met? Explain	What changes, modifications, and/or instructional practices were implemented during 2023-2024 to meet the target?	What was learned from the results?

4. Will the courses, assessment tools, and benchmarks/targets, remain the same for 2024-2025 for this Student Learning Outcome’s assessment? If no, please provide detailed changes here along with justification.

5. What practices will be implemented to reach the 2024-2025 benchmark, target, or performance? Explain why this was chosen.

**Student Learning Outcome 2**

1. State Student Learning Outcome 2.
2. State the Strategic Plan Goal that Aligns with the Student Learning Outcome: To increase student success.
3. Complete the following table using your 2023-2024 IE plan. There should be a minimum of 2 assessments per student learning outcome, and no more than 4.

				Detailed Analysis of Results		
Course	Assessment Tool	Benchmark, Target, or Performance Level	Assessment Results (Fall and Spring)	Was the target met? Explain.	What changes, modifications, and/or instructional practices were implemented during 223-2024 to meet the target?	What was learned from the results?

4. Will the courses, assessment tools, and benchmarks/targets, remain the same for 2024-2025 for this Student Learning Outcome’s assessment? If not, please provide detailed changes here along with justification.
5. What practices will be implemented to reach the 2024-2025 benchmark, target, or performance? Explain why this was chosen.

**Student Learning Outcome 3**

1. State Student Learning Outcome 3.

2. State the Strategic Plan Goal that Aligns with the Student Learning Outcome: To increase student success.

3. Complete the following table using your 2023-2024 IE plan. There should be a minimum of 2 assessments per student learning outcome, and no more than 4.

Course	Assessment Tool	Benchmark, Target, or Performance Level	Assessment Results (Fall and Spring)	Detailed Analysis of Results/
